Village of Lions Bay
2023 Draft Sewer Budget

Notes:

1 The revenue shows a 5.0% increase in user rates
Parcel tax relates to amounts charged for residents that have access to Sewer. The Village paid for the waste water treatment plant and is recovering these fees from the residents that use the Sewer system as Parcel Taxes. A resolution to levy parcel taxes was approved in prior years

Sewer rate increases	2023
North Van	10.69%
West Van	6%

2 Budget includes $15k for CCTV of lines and $25k for pump outs of the treatment plant.

Notes:

1 The revenue includes a 5.0% increase in user rates.
Prompt payment discount is 3.5% of fees

2 Includes revenue expected from Recycle BC. This is based on the PY actual of $7,663 from Sept. to Dec., prorated for a year.

3 Garbage, recycling and green waste costs will increase by 5% in 2023.

4 Depending upon the intensity of the Bear season in 2023, additional funds may be required to address the resulting issues. There are discussions regarding increased in service through the incorporation of extended recycling options at the Works Yard

5 Supplies and education increase is due to Recycle BC program. A part of the revenues are required to be spent on public education; this includes the Bear Smart committee, contaminants in Recycling bins ect..

6 Based on 2022 actual +3% wage inflation.

2023 Draft Water Budget

	2020 Actual	2021 Actual	YTD Actual 2022	2022 Budget	2023 Budget	Change	%	Notes

Notes:

1 The revenue includes a 5.0% increase in user rates
West Vancouver propsed an increase of 5% in rates in 2023 and North Vancouver proposed an increase of 7%

2 PY budget included $25k for condition assessments and $30k for cleaning of three water tanks Harvey, Magnesia and Highway). These projects were completed at a significant discount as it was performed in conjunction with the districts of Squamish and Whistler. The 25k for condition assessment was not completed and has been re-budgetted (inspection and testing on the Highway Tank)

3 Decrease in budget related to Bayview survey and design work completed in the prior year.

4
2022 Actual was less than budget as 2 PW employees resigned. Budget cost is 2022 actual plus an increase anticipated with the new collective agreement.

5 Communications - PY budget included costs for connection (Shaw Internet) to the Magnesia Plant via the underground conduit and interent for the PRV SCADA. CY budget is based on the prior year's actual results.

6 Internal allocation is a transfer of labour cost from ADMIN and PW operating budget to other departments to reflect the overhead cost incurred on behalf of these departments
