# From the Mayor's Desk

Hello Lions Bay!

Only one item on the desk today: preparing for the Village Hall meeting tonight at 7:00 to present the current Water Shortage Plan, talk about the wildfire situation and offer a Council Q&A. Please make an effort to attend, and encourage your non-email neighbours too: all Lions Bayers need to understand the unprecedented situation we are facing. Childcare is provided.

See you there,
Karl

## LIONS BAY BEACH PARK WASHROOMS CLOSED DUE TO VANDALISM

The Village's Public Works Department has been forced to close the Lions Bay Beach Park washrooms after vandals completely blocked the toilets with various materials, damaging both the toilets and the piping underneath the washroom block. The washrooms will remain closed until extensive repairs can be completed.

## BEACH WATER SAMPLE RESULTS

Remember to check the Beach Water Sample Results on our website each week.

Water Quality Guidelines recommend a level of <200 E. Coli. bacteria per 100 mL of water for primary contact recreational activities, such as swimming. They further recommend a level of <1,000 for secondary contact, such as kayaking and canoeing.

This week, the results continue to be well within the safe limits.

## WHISTLER BLACKCOMB FOUNDATION GRANT

Lions Bay Fire Rescue is pleased to announce that they are the recipient of the Whistler Blackcomb Foundation Grant for a Holmatro Hydraulic Pump. This state of the art pump, worth over $14,000, will enable Fire Rescue to operate the Jaws of Life while responding to motor-vehicle accidents on the Sea to Sky highway. Lions Bay Fire Rescue now has the most up-to-date equipment of all rescue responders north of Vancouver to extricate accident victims from the wreckage of their vehicles, regardless of make and model.
