NATIVE PLANT GARDEN

It has been a busy year in the garden. The plants have been 'put to sleep' for the winter, but we are expecting great things from them in the early spring and we hope that many

residents will take a stroll through the garden come spring to become better acquainted with some of our beautiful native plants. Please see the attached for an update from our garden founder, Mary Miles.

Crews will be scheduled to perform this work within the next two weeks, and will be working primarily in front of residences at the following locations:

- Mountain Drive - Timbertop to Bayview
- 200-241 Bayview
- 280-390 Bayview

The Village would like to take this opportunity to thank you for your patience and cooperation as this work is performed in your area.
