LIONS BAY CHRISTMAS FAIR

IMPORTANT MESSAGE FROM SMITHRITE

Please be advised that during the winter months, organics bins that are kept outside

in the freezing temperatures may result in frozen items inside. Smithrite will do their best to empty the bin completely, however they will not return to empty any remaining frozen material. Understanding that not all residents have an enclosed garage, Smithrite has suggested wrapping food scraps in newspaper and freezing it in an indoor freezer until the day of collection (leaves can be put into paper bags found at Canadian Tire or Home Depot).
