NATIVE PLANT GARDEN

Even though it is still cold and wet, we all know that spring is just around the corner, and soon our native plants will be sprouting and preparing to flower. An early native plant to look for is the beautiful flowering red currant, which always attracts the hummingbirds in the spring. The native plant garden has a number of the red variety that is seen around the village, as well as some beautiful 'white icicle' currant bushes. LIBRARY UPDATE FOR SPRING 2016

Just a reminder, as of January 27th at noon, the library will be closed on Wednesday's. Our hours of operation are as follows:

- Monday 10am - 12pm
- Thursday 2pm - 4pm
- Sunday 2pm to 4pm

In order to maintain library services it is vital that we find new volunteers. We would love some younger members of our community to get involved with the operation of the library. The hours are posted above and require only two hours per week of service. With younger volunteers comes a new enthusiasm and new vitality. So please, consider volunteering in order to keep the library operating.

For our readers, over the past few months we have purchased a number of new best sellers, so come and browse...!

Many thanks,
The Volunteers

SENIORS SOCIAL CIRCLE

Tai Chi is being held every Tuesday at 11:15 am in the Hall with Josie.

During 2015, the Seniors Social Circle (+55 Club, Age Friendly) was supported by a grant through UBCM. This allowed for many of our activities to be free of charge. As we move forward into the New Year, our programs and activities will have a small surcharge to them in order to recoup costs which are no longer supported via this much appreciated grant.

Tai Chi will charge $5 per participant and can be paid at the door.

WE WANT YOU...
We are compiling a list of services that are available in the Village for our Seniors'. This could be anything from junk removal to legal services. If you would like to be listed in our brochure please send me your name and contact info and I will be happy to include you.

Also - please pass this info along to anyone who you think might benefit from joining our group. There are no fees, there are no age restrictions (other than being an adult), participation is not mandatory and you receive access to a network of like-minded people who are your neighbors and friends.
