PLANNED POWER OUTAGE DELAY

According to BC Hydro, the second scheduled power outage, which was to occur on Thursday and rescheduled to this afternoon, did not happen due to weather and technical difficulties. After following up with their crew, we were informed that the outage will be rescheduled, however the date and time is unknown. BC Hydro will inform all residents by phone, and we will update the home page of the Village website with information as we receive it. For the most up-to-date information, please contact BC Hydro, or check the Planned Power Outages page on their website.
