A reminder from Waste Control Services:

Spring is here, hurray! Subsequently, Waste Control Services is expecting an increase in yard waste to be set out at the curb in the coming weeks. Please assist our staff in collecting this larger amount of material by ensuring that yard waste is neatly placed

in a paper bag, plastic bin, or bundled with twine. Make sure the bin is labelled or clearly identifiable as yard waste.

For the safety of collection staff each bag, bundle, or bin placed at the curb must be less than 20 kg (44 pounds). As April showers are likely, please try to keep water out of bins so no extra weight is added by rain water. Punching a small hole in the bottom of your container or securing the lid tightly are great ways to ensure this.

Remember that to be acceptable for curbside collection - yard waste must be less than 3 feet long and 3 inches wide. Larger yard waste pieces as well as large amounts of yard waste, can be dropped off at the North Shore Transfer Station for a small fee.

As our staff are manually servicing the bins please ensure that your containers are in good shape and that handles are not broken. Also, please do not use tape to repair paper bags (for yard or food waste) as the addition of tape makes the bags non-compostable. Fixing paper bags with tape may cause the whole bag to be flagged as garbage.

Your cooperation is very much appreciated, thank you and happy gardening!

COUNCIL & COMMITTEE MEETINGS

All meetings take place in Council Chambers unless otherwise noted. The Village Office is open until 6:30pm on Regular Council Meeting nights.

NOISE CONTROL BYLAW

As the weather improves and people open their windows more and get out and about doing chores and other activities around their properties, residents are reminded to keep noise producing activities within the parameters of Noise Bylaw No. 283.

Lawnmowers and most other small power equipment is restricted to the hours of 8 am to 8 pm Monday to Saturday and 10 am to 8 pm on Sundays and Holidays. Chain saws, chippers and leaf blowers are restricted to 9 am to 4 pm Monday to Saturday.

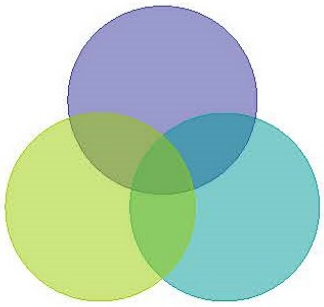

Other restrictions pertaining to the barking of dogs, amplified and unamplified music and continuous sounds can be reviewed in the bylaw here. As always, thanks for your consideration and cooperation.

2018 UTILITY NOTICES

The 2018 Utility Notices have been mailed out. The Notice includes a Secondary Suite Declaration. Please complete the questions in the Declaration and return to the Village Office with your payment by April 3rd to get your Prompt Payment Discount. The Declaration can also be completed online on our website (here). The Secondary Suite Surcharge Bylaw requires that ALL property owners must answer the questions on the Secondary Suite Declaration. SSC Notepad #3 and more: For us residents of our "bedroom community", there are numerous opportunities to find events and activities that cater to the needs of "body and/or soul". Some are local within the Village, others are at our neighbors, e.g., on the North Shore - see kaymeek.com, westvancouverrec.ca, pronova.ca, Probus, West Vancouver Streamkeepers, to name a few. What caught your editor's particular attention this week may be of interest to some residents that are attuned to Nature in our environment; the West Van Memorial Library is sponsoring two "walks" with horticulturist Egan Davis on the topic of "Trees" on April 7th, 2018. See westvanlibrary.ca/events/tree-walk and .../memorial-park-tree-walk, or call 604-925-7403 for information.

LATE FLASH - SSC Notepad #4: The expansion of the Lions Bay House Concerts Program into an "Artists in the Schools" series of FREE intergenerational "Community Concerts" was wonderfully successful last year (see tamara@tamaraleger.com). To

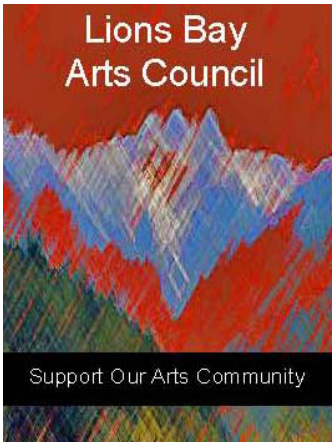

run the program again this year, please consider becoming a Sponsorship Supporter. Thank you.

Note that a few tickets are available for Raine Hamilton ("Encore Presentation"; April 14th). Details at www.lionsbayhouseconcerts.com, and see www.rainehamilton.com.
