Updates from the Municipality

NOTICE: PAVING WORKS ON ISLEVIEW & CROSSCREEK MONDAY, APRIL 4th TO FRIDAY, APRIL 8th

Public Works staff have been monitoring the weather and have discussed with BA Blacktop (BA) the paving of Isleview Place, which was postponed last year due to the heavy rains, and Crosscreek Road. With the improved outlook for next week, we have a window of opportunity to get these two streets done before BA becomes backlogged with their work for other communities. We recognize this is very short notice and apologize for any inconveniences this may cause.

Paving crews may work extended days between 7:30am and 9:30pm as they strive to accomplish these works during the good weather forecasted for next week. ***Residents can expect construction crews, paving and grinding equipment and loud grinding noises for the duration of the works.***

TRAFFIC & PARKING IMPACTS

No Roadside Parking will be allowed along the paving project routes and temporary no parking signage will be installed as a reminder. To enable the work to proceed as efficiently as possible, we ask residents on Isleview to park your vehicle(s) wholly on your driveway or outside the paving areas in locations such as the Park and Ride or Lions Bay Beach Park parking lot. Likewise, the residents who use the Community Centre parking area on Crosscreek Road will have to park in other locations, such as the upper parking stalls on Centre Road and the Oceanview Kiosk. Residents will be permitted to park at the Lions Bay Beach Parking Lot for free during this paving project as long as their Resident Permit is visible in their windshield.

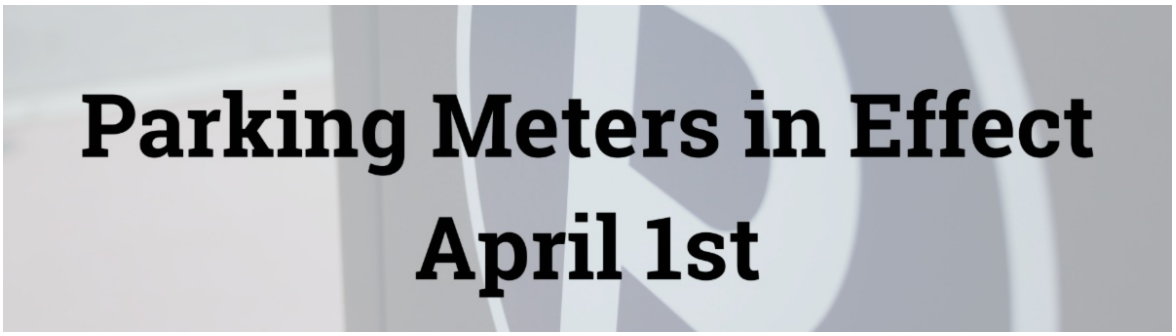

EXPECT DELAYS AND INCONVENIENCES

Traffic will be able to use both Isleview and Crosscreek during the works; however, expect there to be delays, sometimes lengthy on Isleview, and please respect the traffic control personnel as they try to manage traffic and construction vehicles through these areas. Please **plan ahead** – if you need to traverse through these areas consider ensuring your vehicle is out of the area before 7:30 am.

EMERGENCY SERVICES & WASTE COLLECTION

Emergency access for first responders will be maintained during the construction period. Waste collection, which occurs on Fridays, is not expected to be impacted.

Again, we understand that the aforementioned will cause significant inconveniences and we apologise to all affected in advance for this. If you require any extra assistance or need to let us know of a particular consideration such as medical needs, please do not hesitate to email us. We appreciate your patience and understanding during this process. If you have any questions or concerns, please email **works@lionsbay.ca**.

The parking meters are in effect today at the following locations:

Sunset Trailhead Parking Lot: Residents can park here free with resident parking permit displayed in the front windshield;

Kelvin Grove Beach Park Parking Lot: Residents can park here free with resident parking permit displayed in the front windshield and the first several spots are reserved for residents only;

Lions Bay Beach Park Parking Lot: All users of this lot are required to purchase parking at the meter – residents are encouraged to use the free resident oriented on-street parking signed as “Permit Required”.

Bylaw Enforcement Officers are also resuming duties as of today (April 1st). Please ensure you have your parking permits properly displayed in your vehicles at all times. Resident passes were mailed out with your utility notices. Please also ensure your guests have Guest Passes displayed. If you require guest passes, you may pick them up at the Village Office. Resident and Guest Parking Permits are valid at on-street parking locations.

If you have comments or suggestions to contribute, please do so through the “Feedback” links on our website or via email to **feedback@lionsbay.ca** . Parking regulations may be found at **www.lionsbay.ca/community/parking**.

April: Make your Grab-and-Go Bag

The Emergency Preparedness topic for March was **Making Your Family Escape Plan**. Perhaps you just haven't had time to think "What would we actually do in an emergency?" and create your plan. The top three reasons for not having a plan when the major event occurs are:

1. My family really enjoys minimalist camping.
2. We can wing it on the day of the event and for several days after.
3. What, me worry? I have insurance.

Even if you have home insurance, the time is now. Please, take some time to create an actionable family emergency plan.

The April Emergency Preparedness topic is how to make your family **Grab-and-Go bag**. In emergencies, there is rarely time, to put together things that you and your family need should you have to evacuate your house for several days. A Grab-and-Go bag is a backpack or a backpack per family member that will supply you with things you will need for up to 72 hours. The bag(s) can be kept in your front closet, garage, or vehicle and grabbed on your way out the door. Items in the Grab-and-Go bag should be revisited and refreshed at the change of each season. Below are resources that can help you put together the kits. Many items can be scavenged from around the house. Make it into a family hunt, make lists, brainstorm with your family. Please don't forget about your pets' needs as well.

Grab-and-Go bags can also be purchased pre-made by emergency supply companies.

It's time for the annual...

Lions Bay Giveaway Weekend

Saturday, May 21st at 9am
until dusk on Monday, May 23rd

Please help us keep unwanted items out of the landfills by putting out your unwanted items at the end of your driveway marked FREE. Items can include furniture, books, sports equipment, toys, gardening equipment, building supplies...anything goes, there are no rules!!

Drive, walk or cycle around the village over the May Long Weekend and see what treasures you can find for yourself.

Parking regulations will still be in effect so please be mindful of where you stop to shop. Kindly remind your kids not to drop 'wanted' bikes and scooters near FREE signs.

Contact: Heather Hood at 604 992 6179 or hoodinlionsbay@gmail.com if you have any questions.

*Please note we cannot accommodate a village-wide pick up at the end of the weekend, it is up to owners to please put away or donate their own unwanted items!

Happy Shopping!
