REMEMBER TO CLAIM YOUR HOME OWNER GRANT (HOG)

All taxpayers must claim their HOG (if eligible) every year. If your grant is not claimed by the July 14th due date, a 5% penalty will be applied to your account.

If you are deferring your taxes or have set up a renewal for your tax deferral, you still need to claim your HOG before, or as soon as possible after, submitting your online application to the Ministry.

Your deferral will be delayed if you have taxes in arrears. And an unclaimed HOG amount will become taxes in arrears if not claimed during the tax year.

2022 CURLY STEWART AWARD WINNER: ANDREW HAMILTON

With so many strong applicants, the Curly Stewart Committee has had a difficult task when selecting an award winner this year however, ultimately we reached consensus that there was one candidate who truly exemplified each of the criteria. This candidate has embraced and been an active member of the Lions Bay community since a young age, and is described by a neighbour and referee, Douglas Miller, as someone who “stops and takes time to have meaningful conversations with his neighbours.” Additionally, this person has served the greater North Shore community, demonstrating leadership and excellence, both at Rockridge High School and at various high level North Shore sports clubs. This young applicant has received many awards over the years, and has captained various high level teams, and yet has still found time to give back to the sports he loves through numerous hours of coaching. Furthermore, he has actively promoted inclusivity, and the creation of safe places for marginalized students at Rockridge through his leadership roles in the Youth Alliance for Intersectional Justice, the Chess Club and intramural sports. Congratulations to this year’s winner, Andrew Hamilton! We wish you every success as you pursue your dream of turning your love of sports into a future career in Human Kinetics.

-Jenny Hetherington
on behalf of the Curly Stewart Memorial Trust Fund Committee

The Curly Stewart Memorial Trust Fund was established to honour the life and public service of the first mayor of the Village of Lions Bay, Allan M. "Curly" Stewart, who served from 1971 to 1981. A $750 award is given annually from the trust fund, to the applicant who best exemplifies the criteria described in the official terms of reference for the award, which are, in no particular order:

- Lions Bay, British Columbia, Canada or world citizenship (for example, leadership, fundraising, volunteering, organizations, travel, family);
- Personal Achievement, (for example, in a non-prioritized alphabetical order: arts, athletics, awards and prizes, education, offices held, team participation, and work experience)

This year's Council-approved paving budget includes the reconstruction and paving of Oceanview Road from the intersection of Oceanview Road and Crosscreek Road to the intersection of Oceanview Road and Highview Place. Panorama Road, Creekview Place, and Oceanview Place are not included in this work. Public Works staff have been monitoring the weather and have discussed with BA Blacktop (BA) who have tentatively scheduled this work to begin on June 20, 2022. We apologize in advance for any inconveniences this may cause.

Paving crews may work extended days between 7:30am and 9:30pm as they strive to accomplish these works. Residents can expect construction crews, paving and grinding equipment and loud grinding noises for the duration of the works.

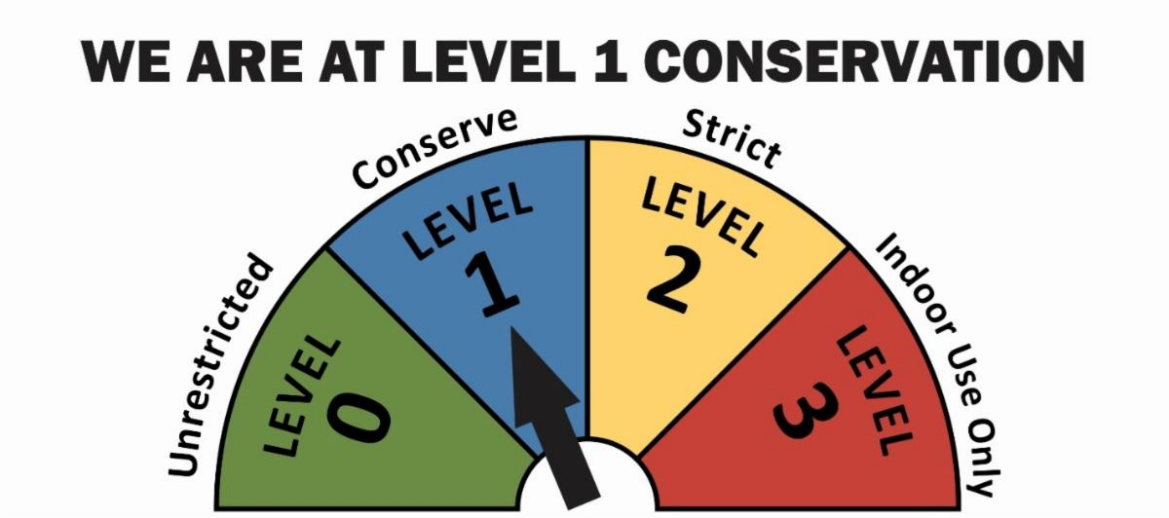

TRAFFIC & PARKING IMPACTS
No Roadside Parking is allowed on Oceanview Road during the project. Residents with driveways fronting onto Oceanview Road should keep their vehicles as far into their driveways as possible.

VEGETATION WORKS
Due to the size of the paving equipment and the overgrown vegetation on Oceanview Road, some portions of the overhanging and encroaching vegetation will need to be trimmed back. Public Works will be performing this work in advance of the scheduled paving date.

EXPECT DELAYS AND INCONVENIENCES - PLAN AHEAD
Traffic control personnel will be onsite directing traffic and will do their best to keep traffic flowing normally; however, expect there to be delays - sometimes lengthy. Please respect the traffic control personnel as they try to manage traffic and construction vehicles through these areas. Please plan ahead – if you need to traverse through these areas consider ensuring your vehicle is out of the area before 7:30 am.

EMERGENCY SERVICES & WASTE COLLECTION
Emergency access for first responders will be maintained during the construction period. Waste collection is not expected to be impacted.
Again, we understand that the aforementioned will cause significant inconveniences and we apologise to all affected in advance for this. If you require any extra assistance or need to let us know of a particular consideration such as medical needs, please do

not hesitate to email us. We appreciate your patience and understanding during this process. If you have any questions or concerns, please email works@lionsbay.ca.

EVENING IN ITALY!

Please join us for a magical celebration of the arts, where we'll combine the sights, smells, and cuisine of beautiful Southern Italy.

While you relax with a glass of Italian wine and a theme-related appetizer, Lions Bay's very own Sicilian native, Lucy Traini, will prepare pizzas along with Caesar salad and bruschetta.

We'll dine together, Italian-style, as well as receive the printed recipe to take home. Author, Karen Dodd will read from her latest suspense novel, EVERYBODY KNOWS, which is set in and around Southern Italy and Malta. Together, Karen and Lucy will inspire you to visit this spectacular Mediterranean region — perhaps for the first time — or recapture fond memories of past adventures.

When: Thurs, July 7th, 2022, 7:00pm – 9:00 pm
Where: Here in Beautiful Lions Bay; address will be provided upon RSVP
