Updates from the Municipality

2022 General Local Election

The 2022 General Local Election will be held on Saturday, October 15, 2022. The Village will be voting for 1 Mayor, 4 Councillors and 5 School Trustees for a 4 year term. Information on running for office, voting in the election, and much more is available on the Village Election website and published in the official notices of election.

Candidate Information Session

Join us for a candidate information session for prospective Mayor and Councillor candidates on **August 30, 2022** at 7 pm, in the Lions Bay Council Chambers, 400 Centre Road.

School Trustee candidates may attend an information session on August 31, 2022 at 6 pm at the West Vancouver Municipal Hall Council Chamber, 750 17th Street or join online via Webex at election.westvancouver.ca.

The Village of Lions Bay has become the latest municipality to join the Recycle BC residential packaging and paper recycling program as a collection partner. Starting September 2, 2022, the majority of residents likely won't be aware of a change happening at the curb, but a

change is happening, nonetheless.

Under the new partnership, the current curbside collection program will continue to be operated by the Municipality through its current contractor, Waste Control Services, but the collected materials will be managed by Recycle BC. Lions Bay residents who are currently part of the curbside recycling program will not see any changes to their day-to-day recycling. For more information, see our initial announcement here.

To get ahead of the curve and for a comprehensive list of what goes where and to download a detailed recycling charts visit www.lionsbay.ca/recycling. For more information about Recycle BC visit recyclebc.ca.

Public Works has engaged C3 Mainline Inspections to perform sewer smoke testing in the Kelvin Grove Neighbourhood later this month as part of a sanitary sewer Inflow and Infiltration (I&I) Reduction Program. This testing will help Public Works locate breaks, detect sewer defects, and find stormwater cross connections to the sanitary sewer system.

The simulated “smoke” is a non-toxic and non-hazardous vapour specifically manufactured for this purpose. It leaves no residue or stains and has no effect on plants or animals. If your household sewer system is functioning normally, the smoke should not enter your home. If it does, it will have a distinct, but not unpleasant, odour and should only last a few minutes with proper ventilation. For more details on this and the entire process and to prepare your plumbing system prior to the testing, please read the Sewer Smoke Testing FAQ.

If you see “smoke” in and around the Kelvin Grove neighbourhood on the testing dates, please do not be alarmed. The Lions Bay Fire Rescue Department has been notified of this work to help prevent false alarms.

Residents impacted will receive a hand-delivered notice 24-48 hours prior to the work.

IMPORTANT
As described, the simulated “smoke” is a vapour product specifically designed for this testing and is non-toxic. However, those residents with respiratory problems may find the vapour irritating. We ask that residents with respiratory problems contact Public Works at works@ lionsbay.ca so we can assist you during this testing.

The water quality at the public beaches in Lions Bay is tested weekly; information about the testing methods and results are available on the Village website here.

What's Happening in Lions Bay

Do you know a deserving citizen in your community? Nominate them today!

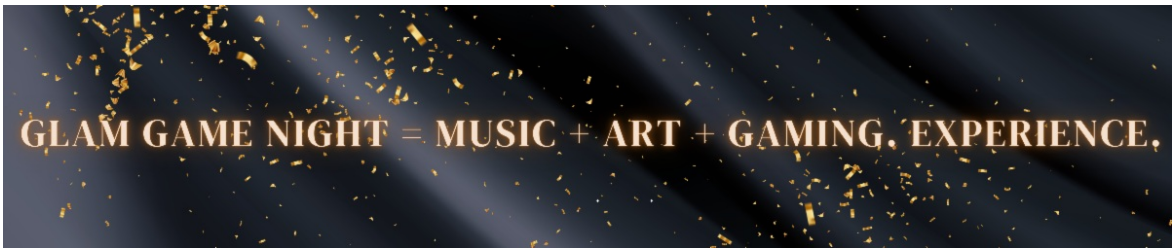

The call for nominations is open for the Province's **Medal of Good Citizenship** for 2022. This prestigious medal recognizes people who have made outstanding contributions to their communities without expectation of remuneration or reward. The medal reflects people's generosity, service, acts of selflessness and contributions to community life.

Nominations are due by **Tuesday, September 6, 2022.** Submissions received after this date will be considered for 2023.

For nomination forms and additional information on this honour , please visit our website.

Thank you in advance for your time and support in nominating exceptional citizens in your community.

GLAM GAME NIGHT = An elegant communal **BOARD-GAME gathering experience** @ Lions Bay Village Hall. Potluck food + non-alcoholic drink, featuring **LBHC CONCERT REPLAYS. Let the games begin!**

Special thanks to Thyra McKilligan of Re/Max Masters for her sponsorship of Glam Game Nights. **We acknowledge the funding support** of the West Vancouver Foundation - Neighbourhood Grants program, and in-kind support from the Village of Lions Bay, for this **FREE-TO-ATTEND** community event series pop-up collaboration.
