### Beach Park Project:
### An update from Council

**Call for volunteers**

Our beach is extremely important to residents of all ages. For this reason, we decided on a brief pause to make sure the Beach Park revitalization project is what we as a community truly want and that the project is completed within the allocated budget.

Our intent is to move this important project forward as quickly as possible and to this end a Special Meeting of Council was held last night to reinstate the Beach Park Committee. Councillors Michael Broughton and Norm Barmeier will act as co-chairs, and are looking for volunteers of all ages to join the team. It will not be a longstanding commitment because the main task of the committee will be to deliver recommendations to Council within a relatively short period of time. The committee will also assist Council in putting together proper public consultation so that as many residents as possible are able to have their say.

To volunteer, please send an email to council@lionsbay.ca no later than 4pm on Thursday, December 1st outlining your interest in the project. If you have specific skills that may be useful for the committee/project, please be sure to mention them.

### Town Hall: mark your calendars!

**Monday, December 5th at 7:00pm at Broughton Hall**

As the first step in Council's community consultation on this project, all residents are invited to come together for a presentation and discussion. We will recap progress thus far and explore pathways and options for completion. Most of all, we want to hear from you! We look forward to a lively discussion and flow of ideas. Council understands that not everyone will be able to attend, so please be assured that we will also be having a community-wide Have Your Say on this matter.

## Do you ever wonder who looks after our Village Trails ?

Here are some of our group of Volunteer Trailblazers after the Fall clean - up at the north end of the Centennial Trail on Wednesday.

Thanks to the Village Works Department who have always supported us when we need a hand. As soon as we had finished the morning's work, Andrew from Works appeared on the scene to remove the huge pile you can see on the left of the picture.

If you would like to volunteer helping to keep our 23 km of Village Trails in good shape, send me an email and I will add you to the list. Don't feel any pressure, just join us when you can.
