UPDATES FROM THE MUNICIPALITY

2023 DOG & BOAT SPACE LICENSES

Reminder that dog and boat space licenses are now due. The early discount payment is applicable for dog licenses until February 28th and for boat spaces, until March 31st.

Watch for the boat space invoices in the mail.

Public Works would like to notify the Village that two employees, Clint Evernden and Kyle McCallum, have moved on in their careers and taken positions at the District of Squamish. Both employees will be sorely missed and leave Public Works staff short handed in the interim. We ask for your patience as we attempt to recruit replacements.

A Call for Volunteers

Are you passionate about the environment?

One of the greatest sources of pride in our Village is stewardship of the environment and the natural heritage we are so fortunate to enjoy. If you have skills or expertise in the field of environmental or conservation matters, or climate action, we'd love to have you on the Lions Bay Climate Action Committee (CAC)!

The CAC is an advisory committee to Council. Its task is to provide a technical and local perspective and advice to Council to assist in the advancement of targets, policies and actions in the face of the climate emergency and other environmental issues.

In accordance with the current terms of reference (TOR), members' tenures end at the end of each Council term, which is an opportunity for current members to recommit and new volunteers to apply.

You can submit an application by sending us an email (addresses below) giving a short outline of a) why you wish to be on the committee and b) how you can contribute in the following areas (from the TOR):

Committee members will have demonstrated outstanding leadership and/or commitment within the environmental community and be committed to working in a collaborative manner for the betterment of the environment of the Village. Council will appoint members such that the Committee is balanced with individuals:

- *Who have technical and non-technical qualifications of experience related to all manner of sustainability such as: local food security; greenhouse gas emission reduction; climate change mitigation and adaptation; solid waste management 'zero waste' interests; understanding biodiversity and eco-systems; forestry; protection of water; shoreline protection; sea level rise; green building strategies; alternative energy; and active transportation;*

- *Who have demonstrated interested and previous involvement in matters related to the mandate.*

You can read more about the committee's role and responsibilities in the **Terms of Reference**. Meetings are typically held once a month but additional time will be required to work on projects or initiatives between meetings.

REQUEST FOR APPLICATIONS TO SIT ON THE CURLY STEWART MEMORIAL TRUST FUND AWARD COMMITTEE

The Curly Stewart Memorial Trust Fund was established to honour the life and public service of the first mayor of the Village of Lions Bay, Allan M. "Curly" Stewart, who served from 1971 to 1981. A scholarship is awarded from the trust fund annually to a secondary student resident in Lions Bay who best exemplifies the qualities described in the terms of reference for the award.

The Curly Stewart Memorial Trust Fund Award Committee reviews applications and makes award recommendations to Council. Deliberations of the Committee are confidential.

The Committee has openings for new members. Familiarity with the ideals of educational aspirations, community service, citizenship, arts, athletics and an ability to consider applications intended to illustrate these ideals would be an asset.

If interested, please email **reception@lionsbay.ca** with the subject heading "Curly Stewart Committee" before noon on Tuesday, February 7, 2023 with your name, physical and mailing address, email address and phone number(s), and short answers to the following:

1. Please describe why you are interested in participating as a member of the Committee.
2. Please provide a brief summary of how your experience would enhance the work of the Committee.

Participation is in a volunteer capacity, with no remuneration offered. Level of effort is anticipated to be two to four two-hour meetings in the Spring, plus individual time to review applications. Committee members' names appear in the public record of the Council meeting appointing them and on the municipal website, and contact information will be provided to staff and other Committee members. To view the Committee's Terms of Reference, **click here**.

Please note that the Curly Stewart Memorial Trust Fund Award Committee is a select committee of Village of Lions Bay Council and has no relationship to the Lions Bay Community Scholarship Foundation, which is a charitable non-governmental organization.

Community

Together with the City of Vancouver, Vancouver Foundation, Victoria Foundation, Vancity Community Foundation and United Way BC, the Vantage Point is currently circulating the **2023 State of the Sector Survey** throughout the province.

This survey is created by and for BC's not-for-profits. It will help BC's not-for-profits in their advocacy efforts and strengthen the sector's ability to support the communities they serve.

The survey is open until January 20th.

WHAT'S HAPPENING IN LIONS BAY
