Village Update

SPECIAL EDITION

February 28, 2023

Public Works would like residents to know that we have two plow trucks operating in the Village but due to the storm's intensity and rate of snowfall, we're having trouble keeping up with snow accumulations.

We have mixed our salt with sand in order to aid with traction and will keep plowing until the snow stops.

If you do not need to leave your home, please consider staying put. The roads are treacherous, not just here in Lions Bay, but along the highways in many Lower Mainland municipalities.

If you do not have winter tires – please don't drive.
