Village Update

July 4, 2024

UPDATES FROM THE MUNICIPALITY

IMPORTANT NOTICE:

Unfortunately, due to some scheduling difficulties with Waste Control Services (WCS), some regular pick up times for Garbage and Recycling were interrupted, may not have had their garbage picked up at all. If this is the case, the Public Works Yard will be accepting garbage, tomorrow morning, Saturday July 06th between 8:00 a.m. to 11:00 a.m.
While we are happy to take your call at the office, the best and quickest course of action is to call WCS directly at **604-986-9777**.

A message from the CAO…

As many know, on Tuesday, July 2 nd, a bear trap was set beside the road on Bayview Place. The trap was moved to another location yesterday after the COS received a complaint from a resident about an incident elsewhere in the Village.

Black bears typically avoid humans but enter the community in search of food or to avoid more dominant bears. There have been several complaints about bears accessing non-natural food sources (attractants).

Due to a cool, wet Spring, berries have been slow to ripen but there is plenty of grass and other vegetation throughout the community, staple foods for bears. The heatwave should see bears moving to higher ground where it is cooler, but if high calorie attractants are available, bears that receive food rewards will return.

This bear behavior is not acceptable, and residents are urged to follow Bear Smart guidelines to ensure waste, fruit tress, bird feeders, pet food and other attractants are not accessible to bears and other wildlife in accordance with the Bylaw. This is as much about public safety as preventing unnecessary bear deaths. These are our obligations when we choose to live in bear country.

Residents are strongly advised to keep doors closed while bears are active and consider chasing them away (carefully) using noise and other means if they are too close to a home. They should not feel too comfortable around humans and the goal is for them to move on.

Tagged bears are bears that were rehabilitated and released as cubs or were relocated by the COS. Relocated bears have not met the COS threshold for destruction related to public safety.

Report attractant issues immediately to **bylaw@lionsbay.ca** or 604-834-3404, bear sightings to **www.lionsbaybearsmart.ca** and wildlife-human interaction where public safety may be at risk to the **COS**.

Ultimately, if bears are encouraged to live naturally, they will avoid our communities.
It takes a village to keep our community and the bears safe.

Thank you to the COS and the Bear Smart Committee for providing information for this public information.

Chief Administrative Officer
Ross Blackwell

The Village of Lions Bay is currently hiring for a Deputy Corporate Officer.

FROM THE YARD

The steps at the municipal campus are back in service, with temporary wooden handrails. With elevations now established, measurements

have been taken for fabrication of the permanent 1-5/8” black powder-coated aluminum tubing handrails, due in 4-6 weeks.

View the Council and Committee Schedules, Agendas, & Minutes HERE!

Video conferencing is available for public participation via Zoom. Instructions on how to attend and publicly participate in a meeting can be found **here**.

Public Viewing Etiquette:

- Public participation is available on Zoom, during the Public Participation section of the agenda. Attendees will have two minutes to speak on any matter at the beginning of the meeting.
- Silent viewing only until you are called upon to speak (if desired).
- Please do not interrupt Council discussion.

- Limit background distractions by muting your microphone and keeping video turned off until such time as it's your turn to speak (if applicable).
- If interruptions are repeated, the participant will be removed from the meeting.

UPDATE ON THE LIONS BAY BEACH PARK

The Beach Park ***Request for Proposals*** is now open. Please follow the link here for more information about the bidding process and details about the Project.
240703 RFP.25 Lions Bay Beach Washroom and Seating Construction - Lot : 1 / Amendment : 0: BC Bid (gov.bc.ca)

Opportunity 201463

Australian-based **MINOR GOLD** was last here in **2019**, it is an honour to have them back on Sunday, August 18, 2024 (7:00pm - 10:00pm).

"***…like Stevie Nicks and Lindsey Buckingham [FLEETWOOD MAC] at the top of their game…***"- Loud Mouth Magazine
ARIA nominees Tracy McNeil & Dan Parsons blend Folk-Rock magic as **MINOR GOLD**. Imagine a dreamy breeze at the crossroads, halfway between Laurel Canyon and a sandy palm tree cove feat. original tunes, seamless vocal and instrumental harmonies. Right HERE in Lions Bay. Ages 19+, non-alcoholic, potluck tasting table concert event. Come!
Generously Sponsored by Thyra McKilligan of Re-Max Masters
