The Village of LIONS BAY

Amendment Request
For
State of Local Emergency

December 18, 2024

WHEREAS a state of local emergency was declared on December 15, 2024 in relation to the Landslide in the Village of Lions Bay set to expire in 14 days on December 29 at midnight;

The original area defined in the Declaration of State of Local Emergency dated December 15, 2024 is being refined from the whole jurisdiction to reflect a portion of the Village of Lions Bay that is bound by, but not including the Brunswick Avenue interchange and north along highway 99 to the municipal boundary to the north, along the northern municipal boundary east to the boundary with Metro Vancouver Regional District Electoral Area A, then south 750 meters before shifting west to, but not including the "gravel pit" and southwest on a line that intersects the Brunswick Avenue interchange at Highway 99. See the attached map.

AND WHEREAS life and property remain at risk due to the potential for further landslide in the Village of Lions Bay;

AND WHEREAS response to this landslide continues to require the use of emergency powers under Section 107 of the *Emergency and Disaster Management Act*, to protect the health, safety or well-being of people or the safety of property or objects or sites of heritage value;

AND WHEREAS the Village of Lions Bay is contemplating the use or continued use of powers under Section 107 of the *Emergency and Disaster Management Act*, including:

- Requiring the evacuation of properties deemed at risk
- Restricting unauthorized travel into the area
- Access to private property for response, assessment or mitigation purposes
- Construction of necessary mitigation works to prevent, limit or alleviate the emergency situation
- Demolish structures or remove trees when doing so will prevent, limit or alleviate the emergency situation and maintain public safety

All within the area described above in the Village of Lions Bay
