COMMUNITY NOTICE

ANNUAL VEGETATION MANAGEMENT PROGRAM

Each year, CN is required to manage vegetation on its right-of-way. Managing this vegetation contributes to mitigating fire risks and enhances the efficiency of inspection of track infrastructure.

To ensure safe railway operations, CN will conduct its annual vegetation management program on its rail lines in the province of British Columbia. A certified professional (Davey Tree Expert Company of Canada, Ltd., 1-800-465-6367) will apply herbicides on and around the railway tracks (primarily along the 24-foot graveled area/ballast). The use of pesticides is intended within the area to which the pest management plan applies. All product requirements for setbacks in the vicinity of dwellings, aquatic environments, and municipal water supplies will be met.

CN only uses herbicides that have been approved for use in Canada and in the province within which they are applied.

The program is expected to take place from April to October 2025.

Visit **www.cn.ca/vegetation** for more information or to make an inquiry, contact the CN Public Inquiry Line at **contact@cn.ca** or 1-888-888-5909.

PUBLIC EDUCATION & OUTREACH PROGRAM

It’s a good idea to learn when to call 911 so we use it responsibly.

EMERGENCY CALLS
9-1-1 is for police, fire or medical emergencies when immediate action is required: someone’s health, safety or property is in jeopardy or a crime is in progress.
Additional tips:
* Know your location at all times
* 911 can’t provide information on the weather, power outages or municipal services.

NON-EMERGENCY CALLS
If you need police assistance that is not of an emergency nature (for example, your situation is a valid police matter but does not require immediate attention), please use our local 10-digit non-emergency number:

Police: (604) 892-6100
Fire: (604) 543-6700

Or report online at: **Click HERE**

WILDFIRE CALLS
To report a wildfire or irresponsible behaviour that could start a wildfire in British Columbia, please call 1 800 663-5555 or (*5555 from a cell phone) as soon as possible.

FireSmart Home Assessments

Lions Bay Fire Rescue has partnered with Frontera Forest Solutions through a wildfire grant to offer free home assessments to the community, conducted by our local FireSmart representative.

Our FireSmart representatives are available to assess your home's wildfire risk using the Home Ignition Zone model. They will provide recommendations on changes that can significantly reduce the risk of structure ignition.

These assessments are completely confidential and offered at no cost. To inquire about scheduling your free home assessment, please contact us at:

Thank you for helping make our community safer!

Saturday, May 10th - Sunday, May 11th, 2025

Once again, please help keep waste out of our landfills by putting out any of your unwanted items at the end of your driveway marked FREE. Items can include furniture, books, sports equipment, toys, gardening equipment, building supplies...anything goes, there are no rules. It might be a great chance to find something special for mom on Mother's Day!

Parking regulations will still be in effect so please be mindful of where you stop to shop. Kindly remind your kids not to drop any 'wanted' bikes or scooters near FREE signs.

*Please note we cannot accommodate a village-wide pick up at the end of the weekend as it is up to owners to please put away/donate their own unwanted items.
