The current waste collection schedule is found below. Feel free to stop by the municipal Office for a printed copy, or visit the Village website for the full PDF **Collection Calendar 2025**. Compostables and landfill garbage can also be dropped off at the Yard (5 Tidewater Way) 6-9 am on Friday and 8-11 on Saturday.

Questions about recycling or garbage? Check out Waste Control's website at **www.wastecontrolservices.com** or call **604-986-9777**

1. Supplemental compostable and landfill garbage drop off will be**open as usual** at the Public Works Yard at 5 Tidewater Way, Friday 6-9 a.m. and Saturday 8-11 a.m. Staff are on site, and overseeing operations on camera.
2. Spearheaded by residents Trudi Leuthy and Hans Brandvold, and paid for by a generous donation by Patrizia Wade, the sound system in Broughton Hall was

recently upgraded, with expertise and equipment at cost provided by David Smith of Ovation Audio. A subsequent comment: “For the first time in 40 years, I could hear what was being said!” If that wasn’t enough audio action for one year, Lions Bayers Michelle Perron and Brian Bull this month donated a full set of professional gear that will be set up for quick deployment remote/outdoor uses. **Thanks to all for a real community enhancement**.

3. **Project FIREUP** (Furnace Infrastructure Replacement Electrical Upgrade Project) at the municipal campus is underway, utilising approx. $100,000 in Local Government Climate Action Plan 100 percent grant funds. 10 HVAC tons of high-efficiency heat pump capacity will replace two high-maintenance greenhouse gas-producing fuel oil furnaces. Existing electrical capacity at the municipal campus was determined to be adequate without costly upgrade. While existing generator capacity will be sufficient to run the units alongside existing load during power outages, we are also installing a backup inside-air-feed wood-burning fireplace insert as a locally-sustainable non-fossil-fuel heat source.
4. The Mountain Drive **tennis court** will be receiving some maintenance starting next week and **will need to be closed for the duration**. Fencing is being taken down to get to the drainage behind the court, and redirect flow to new culverting at the south end of the parcel. The court surface will also be cleaned, but Public Works is aware that 15 years after its professional installation it is starting to lift--replacement is for another budget year.
5. The **outhouses at the Sunset Trailhead** are being moved 200 meters up the trail to a purpose-built location. Outhouses, the water fountain and informational signage are all in response to our water regulator’s directive to “minimize [hiker] fecal contamination in the watersheds.”
6. Certain Annual Parking **decal vehicles have taken to parking in the pay spaces at Sunset Trailhead**, seemingly to drive visitors to pay for parking on nearby private property. Annual Parking decals are certainly allowed in paid parking throughout the municipality other than Lions Bay Beach Park, where there are adequate decal-only spaces. But abuse of this concession may require making Annual Parking decals invalid at Sunset too, which would be a pity for decal-holders who don’t live nearby. Signs for paid parking on private property may be placed on the roadway only with municipality permission. Short version: rather stop it, please.

The Bylaw Department reminds residents that dogs are prohibited at Lions Bay Beach and Brunswick Beach. Failure to comply may result in a fine of $60, as outlined in the Animal Control and Licensing Bylaw No. 461, Section 6.7.1.
Please note that residents are permitted to take their dogs to Kelvin Grove Beach, where they can enjoy the designated area in compliance with bylaws.
We appreciate your cooperation in keeping our beaches safe and enjoyable for all. If you have any questions, please contact the Bylaw Department at 604-834-3404 or **bylaw@lionsbay.ca**

Lions Bay
Giveaway Weekend

Saturday, May 10th - Sunday, May 11th, 2025

Once again, please help keep waste out of our landfills by putting out any of your unwanted items at the end of your driveway marked FREE. Items can include furniture, books, sports equipment, toys, gardening equipment, building supplies...anything goes, there are no rules. It might be a great chance to find something special for mom on Mother's Day!

Parking regulations will still be in effect so please be mindful of where you stop to shop. Kindly remind your kids not to drop any 'wanted' bikes or scooters near FREE signs.

*Please note we cannot accommodate a village-wide pick up at the end of the weekend as it is up to owners to please put away/donate their own unwanted items.
