UPDATES FROM THE MUNICIPALITY

Updates from the desk of the Mayor

We wish to congratulate Ron McLaughlin in running in the recent By-election. We are pleased to welcome Mr. McLaughlin to the Council of Lions Bay. As a previous Mayor in 2018-2022 and Councillor in 2011-2018, Mr. McLaughlin brings a wealth of experience to our council chamber.

Please come out and celebrate Mr. McLaughlin's Oath of Office ceremony at 6:00 pm, Tuesday, June 24th, 2025, in the Council Chambers; Sara Dubinsky Partner, Lidstone & Company Law Corporation will perform the Oath of Office and swearing in ceremony.

The Curly Stewart Memorial Award is presented annually from the trust fund established to honor Allan M. "Curly" Stewart, the first mayor of the Village of Lions Bay. This award recognizes an individual who exemplifies outstanding Lions Bay or world citizenship, demonstrating leadership, community involvement, and significant personal achievements in areas such as arts, athletics, education, and work experience. It celebrates those who contribute meaningfully to their community and beyond.

This year, the Curly Stewart Memorial Award is proudly presented to Iris Richmond-Pierpoint, whose exceptional leadership, initiative, and innovation truly impressed the committee. Iris demonstrated a profound commitment to women's rights by spearheading training for young women on safety and de-escalation. Her natural leadership, empathy, kindness, and inclusive spirit embody the very essence of service and connection that defines the Village of Lions Bay, and her past and future contributions promise to inspire continued positive change. Congratulations, Iris!

PARKS
Some dozen kayaks, canoes, boards and other craft not displaying a 2025 tag have been removed from the racks at Lions Bay Beach Park. Owners may reclaim them within 120 days by first paying the $100 fee at the office, and then making arrangements with Public Works for pickup during attended hours, Monday-Friday 7-3. If craft reappear in the racks without a current tag, and in any event after 120 days, they are disposed of after documented destruction (to avoid any suggestion of advantage-taking).

TRANSIT
The Ministry of Transport has directed us to move our mid-Village southbound TransLink

stop from their bridge over Harvey Creek to the Highway 99 onramp, and provided $100,000 for the work. Design and engineering is underway. Public Works would be interested in community **feedback@lionsbay.ca**, including on questions like these:

- Would a secure charging corral for e-bikes and scooters facilitate people taking the bus more?
- How many should the shelter hold, and should it be a standard municipal design or more post-and-beam homebuilt?
- How do we tie in a safety barrier to the Kelvin Grove Trail 100 m up the ramp?
- The ramp is a designated bike lane, and requires a 1.5 meter shoulder between the fog line and the barrier. Can bikes go inside the safety barrier instead?
- Do we provide pullout space for only a 262 commuter-size bus, or future proof for a BC Transit/SnowBus full size stop?
- What work on lane widths, sidewalks, crossings, lighting, the school bus stop in the underpass, and more could be planned/done at the same time?

In Loving Memory of Erin Moore ~ 2025 Erin's Graduating Year

"Erin calls us to be our own trailblazing selves to 'live in the moment' for the past is gone and the future is unknown; claim the present and make it beautiful."

This year, 2025, would have been Erin's graduation year and this, Erin's graduation class. It has been over 10 years since the tragic loss of Erin Moore on December 22, 2014.

We are heartened by the joy and inspiration Erin brought to us in the precious years of her life.

The annual Erin Moore Memorial Hike is a reminder of Erin's gifts to us all. Each year so many join in the Hike for Erin on the Erin Moore Trail to Erin's Enchanted Forest. The Erin Moore Hike takes place in December.
