Thank you to the outstanding Events Committee for organizing an incredible and very well attended Canada Day Event.

A wonderful celebration and acknowledgement of many dedicated residents, great food, great entertainment, and information, great people celebrating an amazing Country's Birthday from one of the most beautiful places on earth !

Thank you, Lions Bay for joining in the fun.

Have a wonderful summer everyone !!!

The 2025 Citizen of the Year was award was presented to all Lions Bay First Responders i n recognition of courage, selfless dedication, and heroic response to the December 2024 Battani Creek Slide. The service by Lions Bay Fire Rescue, Lions Bay Search and Rescue, and Lions Bay Emergency Support Services is an inspiration and reminds us of the compassion and strength found in the community.

HIGHWAY 99 SOUTHBOUND RAMP CLOSURES JULY 7-11

A reminder that Lions Bay's Highway 99 southbound exits will be intermittently closed next week as part of replacing the open-grade friction course (OGFS) in the southbound right lane. Schedules--always weather- and progress-dependant--are:

- July 7 will be full counterflow from M Creek to the end of the OGFC south of Kelvin Grove Way, with Lions Bay drivers wishing to head south for West Van and the city needing to first head north to the U-turn past Tunnel Point, and drivers from the north for Lions Bay needing to pass through Lions Bay to U-turn at Ocean Point to be able to use northbound exits. Southbound Translink stops will move to the northbound stops.
- On July 8, southbound Lions Bay Ave. and Kelvin Grove Way ramps are planned open and their transit stops operating normally.
- On July 9, the southbound Brunswick Beach ramp is planned to be open, and the Lions Bay Ave. and Kelvin Grove Way southbound ramps closed.
- July 10 and 11 will see one lane at a time closed to repair the area of the Magnesia Creek slide, with all Lions Bay ramps open.
