BACKGROUND

Located on the east shore of Howe Sound, the community of Lions Bay is endowed with a spectacular natural landscape. It is a landscape that both attracts residents to the community, and significantly shapes its character. Lions Bay residents value the community as a peaceful, close-knit Village, deeply connected to the natural West Coast environment. While the community is supportive of the arts, including the film industry in British Columbia, it also values peace and tranquility.

PURPOSE

With the foregoing in mind, this Policy attempts to find a harmonious balance between commercial filming and the residential character of the Village in order to minimize disruptions to residents. Any person or company who wishes to engage in commercial photography, video, film or television within the Village of Lions Bay must obtain a Filming Permit from the Village of Lions Bay. News media are exempt from this requirement.

POLICY

1. Policy Objectives:

- 1.1 To facilitate the motion picture film industry in its production endeavors by providing a centralized and efficient procedure for obtaining Municipal authorization for Commercial Filming in the Village of Lions Bay;
- 1.2 To minimize any inconvenience to the general public and residents of the Village of Lions Bay as a result of filming activities;
- 1.3 To ensure the Village of Lions Bay residents shall not be unduly inconvenienced by prolonged loss of access to public areas or roadways, or by restricted parking fronting residents' homes;
- 1.4 To ensure that the Municipality recovers all of its direct and indirect costs associated with Filming Activities and Municipal services and assets;
