NOISE CONTROL BYLAW

As the weather improves and people open their windows more and get out and about doing chores and other activities around their properties, residents are reminded to keep noise producing activities within the parameters of [Noise Control Bylaw No. 283](#).

Lawnmowers and most other small power equipment are restricted to the hours of 8 am to 8 pm Monday to Saturday and 10 am to 8 pm on Sundays and Holidays. Chain saws, chippers and leaf blowers are restricted to 9 am to 4 pm Monday to Saturday. Other restrictions pertaining to the barking of dogs, amplified and unamplified music and continuous sounds can be reviewed in the bylaw.

As always, thanks for your cooperation. Should you have any related complaints, please read the following important information [Before Making a Complaint](#).

Note: All meetings take place in Council Chambers unless otherwise noted. The Village Office is open until 6:30 pm on Regular Council Meeting nights. Please check the Meeting Calendar for changes or cancellations.
