

THE MUNICIPALITY OF THE VILLAGE OF LIONS BAY

CALL FOR VOLUNTEERS

BEACH, PARKS AND TRAILS AMBASSADORS

The Village of Lions Bay is looking for energetic, friendly and diplomatic ambassadors to provide residents and visitors with gentle reminders and education about the ongoing risks of COVID-19 and the need to protect each other from the virus by practicing physical distancing and respecting one another in our public places as we re-open some facilities under Phase 3 of the BC Restart Plan.

As you will have seen elsewhere in this edition of the Village Update, the Lions Bay Beach Park will be re-opened on July 1st and we will need to monitor use and occupancy limits to maintain safe and healthy enjoyment of the park and its amenities. This may require manning entry points, just like you experience at the grocery store and other locations, as well as carrying tools to help demonstrate 2 metres of distancing, such as a kayak or canoe paddle of that length.

Beaches and trails within Lions Bay and at trailheads to points beyond could also use the friendly help and guidance of volunteer ambassadors to provide reminders, parking directions, and general information to the public visiting our nature areas.

Volunteers will report to Municipal staff, receive training on their roles and responsibilities, be provided with non-medical masks and safety vests to readily identify them to the public, and will provide brief information reports to staff. Volunteers are covered against liability for transmission of the SARS-CoV-2 virus under Ministerial Order 120 and for general 3rd party liability by the Municipality's insurers, along with receiving basic medical coverage for any defined injuries (excluding sickness and disease).

Applicants should be fit and in good health and aware of the risks of COVID-19, especially in a role that requires interaction with the public. All applicants will be required to sign an acknowledgement of risk in relation to their roles and responsibilities and COVID-19.

If you are interested in joining our team, please email cao@lionsbay.ca as soon as possible with your name, physical and mailing address, email address and phone number(s), and answer the following:

- (1) Please describe why you are interested in becoming a Village of Lions Bay Volunteer Beach, Trails and Parks Ambassador.
- (2) Please provide a brief summary of your relevant experience and how it fits with the roles and responsibilities outlined above.

Please note that participation is in a volunteer capacity – there is no remuneration for serving as a Beach, Trails and Parks Ambassador. If appointed, your name may appear on the Village of Lions Bay website and your contact information will be provided to staff and other appointed Ambassadors.
