

## WHISTLER BLACKCOMB FOUNDATION GRANT

Lions Bay Fire Rescue (LBFR) is pleased to announce that they are the recipients of the Whistler Blackcomb Foundation Grant for the purchase of eighteen radio headsets with boom mics. The radio headsets, worth over \$8,600, are an essential part of LBFR's communication system on the fire trucks. LBFR is very thankful for Whistler Blackcomb Foundation's generous donation and their continued support.

"The Whistler Blackcomb Foundation is dedicated to providing financial support to registered non-profit organizations whose activities provide benefit to residents of the Sea to Sky Corridor in the areas of health, human services, education, recreation, arts and culture and the environment with an emphasis on children, youth and family programs."
