

ORGANICS

Organic material only
All yard waste and trimmings

Raw and cooked food scraps

Food soiled paper

Yard Waste

(branches smaller than 3 inch by 3 feet)

Keeping your "green can" clean:

- Absorbent layer in the bottom, (newspaper, clippings, leaves)
- Alternate layers of food scraps with leaves/grass or newspaper
- Rinse your bin out with mild detergent or vinegar/water solution
- Store your bin in a cool dry place, secured from wildlife
- The only accepted (not required) compostable bag is the Ecosafe kitchen catcher liner; available for purchase at Lions Bay's municipal office

No plastic bags, containers, wrapping or ties
No rope, strapping, netting of any kind
No cutlery

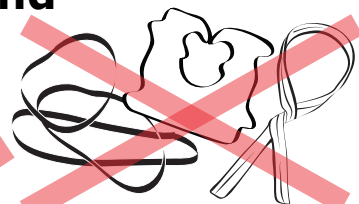

Clean paper/Styrofoam

Plastics

Pet waste

Elastic/Twist ties
