Updates from the Municipality

***** IMPORTANT NEW UPDATE *****

The work to replace 3 critical valves between the treatment plant and the new water tank is taking a bit longer than anticipated. **Please continue to restrict all non-essential use of water until 5 pm today** – i.e. do not water gardens or wash cars, decks, or driveways; refrain from flushing toilets if possible; put off showers and laundry until after 5:00 pm; and generally **conserve as much water as you are able**.

Please accept our apologies for any inconvenience and bear with us as we see this critical infrastructure project through to completion. Thanks for your patience and understanding.

Please provide any feedback or comments to Public Works via email at works@lionsbay.ca.
