**BE PREPARED TO RECEIVE EMERGENCY COMMUNICATIONS  
SIGN UP FOR LBA ALERT TODAY**

Some time ago the Village of Lions Bay provided you the chance to sign up for LBAAlert, a free emergency notification system that provides quick and concise updates about adverse emergency events that may impact you or your loved ones.

Creating and activating an account only takes a few moments of your time and you only need to provide a few pieces of information. To start the process visit our

[website](#) and fill out our simple sign up form. Here you will provide us with your name, email address and what neighbourhood you live in. After submitting our sign-up form you will receive an email from ePACT, the emergency notification service provider utilized by local governments like Lions Bay, Squamish and the SLRD.

Complete the sign-up process by creating your ePACT account so that you can receive emergency messages from LBAAlert. **Your phone number and email address will only be used to contact you through the LBAAlert system.**

Some residents have started the process of signing up for LBAAlert but have not created their ePACT account to complete the process. Please do so as soon as possible so we can begin to utilize LBAAlert to its fullest potential in the event of an emergency or a disaster.

Once you finish the registration process, you will receive emergency messaging by LBAAlert only if:

1. there is an emergency/disaster that requires you to take or be prepared to take action to protect yourself and your loved ones, or
2. there is a test of the LBAAlert system, scheduled to occur twice per year in October and May.

Be in the know when it matters most. [Sign up](#) and/or complete your LBAAlert registration today!

Please note there will be traffic impacts on **Saturday 7<sup>th</sup> September** when the **10<sup>th</sup> RBC GranFondo Whistler** will be taking place along the Sea to Sky Highway. The event is now in its 10<sup>th</sup> year and has recently gained the prestigious mark of being a part of the UCI World Series. Approximately 4,500 cyclists will be taking on the challenging ride from Vancouver to Whistler.

There will be traffic impacts along the length of the Sea to Sky Highway – motorists should leave extra time for their journeys and expect delays along the route. During the event, speed limits will be reduced to 60kmh along sections of the highway and there will be active traffic management along most of the highway.
