

February 19, 2021

Village Update

The Brunswick Beach Railway Crossing will be COMPLETELY CLOSED

Tuesday, February 23, 2021 from 6:00 am to midnight (or later)

This closure is required in order to perform a complete rebuild of the railway crossing. The project will include the replacement of existing rail ties, the releveling of the tracks and adjacent road approach paving. The work is weather dependent and exact date may change. ***We will notify you of any changes as we get closer to the date of the works.***

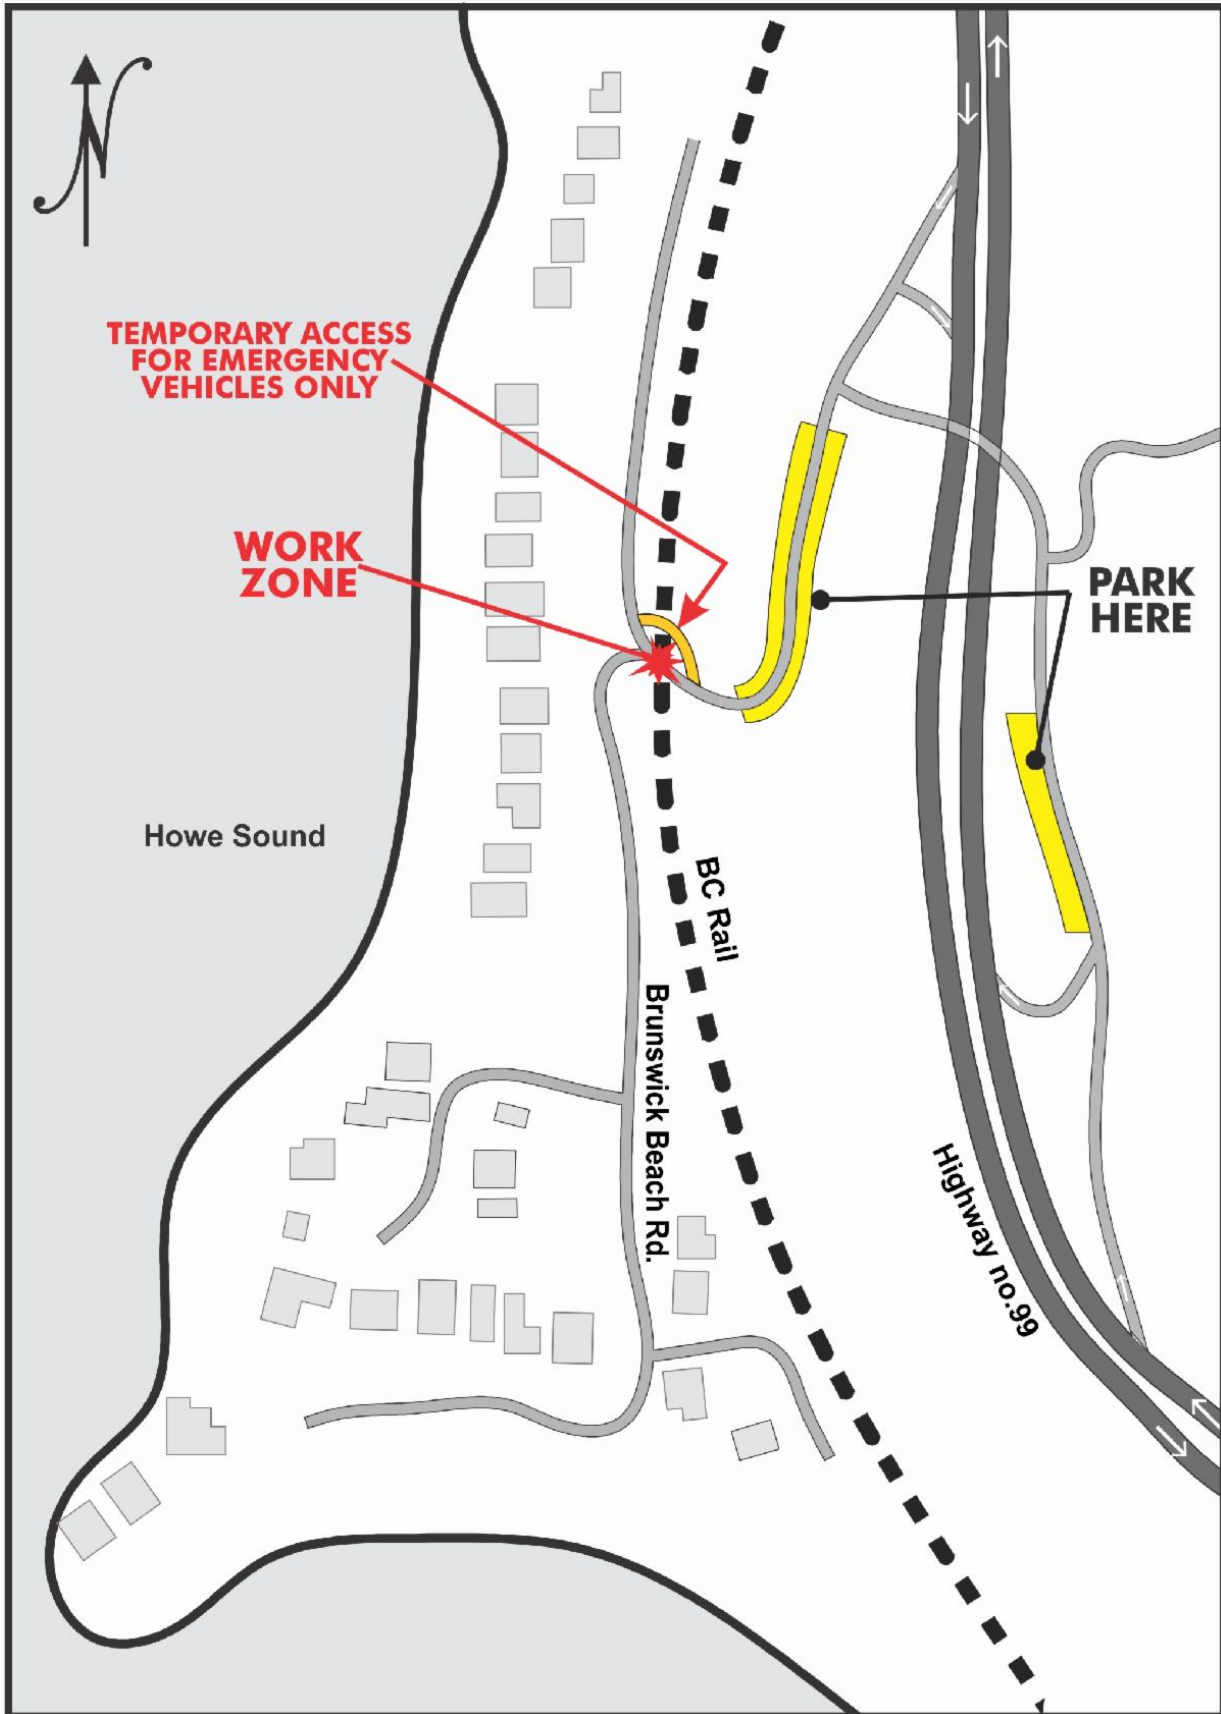

The work requires a complete closure of the road where it intersects with the railroad tracks – a partial closure is not possible; however, pedestrian traffic will be permitted to cross with the aid of flag persons who will be stationed at the crossing.

Access for ambulance and police will be via a temporary gravel road built just north of the existing railway crossing. Lions Bay Fire Rescue will stage a truck on the west side of the tracks to provide fire service in cases of an emergency.

Residents who require vehicular access to or from their neighbourhood on February 23rd will need to park their vehicles on the east side of the railway tracks on the evening of February 22nd *and when they return in the afternoon or evening of the 23rd*. Please park with all wheels off the pavement on either side of the road leading from the crossing to the highway interchange, or the parking area on the east side of the interchange, at the Brunswick northbound exit. See below for a map.

Mail outs and hand delivered notices as well as barricades with signage will

notify property owners, residents and drivers of the closures. If you have contractors working at your property, please be sure to pass along this notice to them as soon as possible. If you have questions or concerns please contact Public Works at works@lionsbay.ca.

Residents of Upper Bayview Road, Bayview Road, Mountain Drive and Stewart Road should be aware that your water will be shut off some time between February 25, 2021 and March 5, 2021.

Work on the underground piping for the 3-PRV Project is nearing completion and contractors are preparing to tie-in these new works with the existing potable water system. The two primary areas of the shut down will affect residents between 168 and 250 Mountain Drive, all residents on Stewart Road, and residents between 239 and 325 Bayview Road. The tie-in work will be completed in phases over this 9-day period. Hand delivered notices will be distributed 48hrs prior to an interruption in your water service.

Residents are also advised to expect construction noise and traffic interruptions between the hours of 7:00 am and 5:30 pm daily including weekends over the course of the 9 days of this critical phase in the project.

We thank you in advance for your patience and understanding. If you have any questions or concerns please contact Public Works at works@lionsbay.ca.

MEETING CALENDAR

- **Regular Council Meeting: March 2, 2021 at 7:00 p.m.**
- **Parcel Tax Roll Review Panel Meeting: March 11, 2021 at 7:00 p.m. (for the Kelvin Grove Wastewater Treatment Parcel Tax Roll)**

Note: We have changed the way we do Council meetings to meet physical distancing requirements.

Video conferencing is available for public participation via [Zoom](#). Instructions on how to

attend and publicly participate in a meeting can be found [here](#).

Public Viewing Etiquette:

- Public participation is still available on Zoom, during the Public Participation section of the agenda. Please read the instructions.
- Silent viewing only, until you are called upon to speak (if desired). Please do not interrupt Council discussion.
- Limit background distractions by muting your microphone and keeping video turned off until such time as it's your turn to speak (if applicable).
- If interruptions are repeated, the participant will be removed from the meeting.

As per the current Provincial Health Order, no public can attend any Council or Committee meetings in person until the Order is rescinded or changed.
