Throughout August, community events, vax vans, pop-up clinics and mobile clinics will be up and running in dozens of communities in B.C. to get more people vaccinated with their first and second dose of the COVID-19 vaccine.

Additionally, drop-ins are now welcome at all VCH clinics on a first-come, first-served basis, depending on your eligibility and vaccine availability. People 12+ are eligible to be vaccinated and you are eligible for a second dose at 49 days after your first dose.
