Village Update

Updates from the Municipality

**The Village Office will be closed on
Thursday, September 30th to
commemorate
the National Day for Truth and
Reconciliation**

ISLEVIEW PLACE ROAD CONSTRUCTION AND PAVING

On Tuesday, September 14, 2021, Council approved the repaving of Isleview Road. The paving will be completed by BA Blacktop who have tentatively scheduled the work for mid-October. Please note:

- Road reconstruction is required for sections of the road and the balance will be ground down (milled) and then overlaid with new asphalt.
- Construction is expected to take up to **three (3) full days** – during that time, on-street parking will be restricted, and residents will be required to park their vehicle(s) wholly on their driveway or outside the paving areas such as the Park & Ride or the Lions Bay Beach Park parking lot.
- If you need to leave your home, you will need to ensure your vehicle is out of the area before 7:00 am. Please note that access to driveways cannot be guaranteed once the construction and paving operation has begun.

We understand that the above restrictions will cause inconveniences and we apologise in advance for this. *If you require any extra assistance or need to let us know of a particular consideration, please do not hesitate to email works@lionsbay.ca.*

THIS IS A PRELIMINARY NOTICE – individual letters are being prepared and will be sent to all residences on Isleview Place next week with further information. Please also check the Village Update and the [Village Website](#) for updated information.

Our bears are extra hungry in the Fall!

In the Fall, bears are preparing for their long winter hibernation, which usually lasts from November to March/April. While they are denning, they will lose around 30% of

their body weight, so you can understand why they will eat almost anything to fatten themselves up in readiness beforehand! As always, they are particularly attracted to high calorie foods.

That's why it is so important to be extra careful with food waste, fruit and other attractants especially as we are likely to be getting rid of food waste around Thanksgiving and putting pumpkins outside on Halloween. It's also important to be watchful if hiking around salmon streams and berry bushes, because these are natural sources of food for bears.

We can expect to see increased bear activity around the village in the Fall and it's important that the Bear Smart team be able to track this activity in order to identify potential problems before it gets to the point where a bear is getting itself in trouble by scavenging. To learn more about extra steps you can take to protect our bears, please [visit our website](#).

If you see a bear, please also report the sighting via Lions Bay Bear Smart's [reporting website](#).

Councillor Neville Abbott and the LB Bear Smart Team: Amber Brown, Norma Rogers, Mandy Clarke and Zeyang Xu

LIONS BAY BEAR AWARENESS IN THE FALL

Photo: Anton Skrigitil

Bears are highly active in the fall as they attempt to consume as many calories as possible before winter. During this time we need to be extra vigilant not to provide human sources of "fast food" for them. The fat reserves a bear builds during this time is integral for their survival.

SALMON & BERRIES

Bears are active around natural food sources during the fall. Creeks may provide calorie rich salmon, be cautious when walking near spawning streams or berry bushes.

THANKSGIVING

Do not leave food outside unattended. Ensure that all food waste is stored securely indoors. Freeze odorous food scraps and put them out no sooner than 5am the morning of collection.

HALLOWEEN

To avoid attracting hungry bears with your Jack O'Lanterns, put pumpkins out no sooner than Halloween night and remove and dispose of them promptly afterwards.

A GOLD MEDAL CELEBRATION in LIONS BAY!

Welcome our home grown gold medallist Madison and have her regale us with stories from Tokyo and what it takes to reach the pinnacle in sport!

When: September 25, 12 - 5 pm

Where: Lions Bay, Howe Sound Patio

Madison Mailey - 3:00pm

Mag's 99 Food Truck - 12 to 3:00pm

Mark Coghlan - 3.30pm

"Happy Hour Pricing" - Supporting the LBFR Fund

BC COVID PROTOCOL WILL BE FOLLOWED SO PLEASE WEAR A MASK

Council & Committee Meetings

NEXT COUNCIL MEETING OCTOBER 5th

50th Anniversary Committee Meeting - September 28th at 7:30 pm

FISHING DERBY

**THE CURLY STEWART LIONS BAY FISHING DERBY
WINNING RESULTS ARE IN!**

Last week the winners visited the Lions Bay Firehall to take a photo with our local firefighters and to accept their prizes.

The winners of the derby were:

RICHARD LACEY - Adult - Biggest Spring - 15.1 lbs
Team Jimmy Jazz - Kingfisher Trophy Winner!

TIAGO MONK - Kids - Biggest Coho - 3.7 lbs
Team Fishing Tales

PHILIP MARSH - Adult - Biggest Coho - 5.1 lbs
Team Jimmy Jazz

Thanks to all of those participants who partook and supported the return of this event. We look forward to having you all back and competing in next years event!

And thanks to all of the Derby's generous sponsors listed below for helping to bring the Derby back this year for the Lions Bay community!

It's this kind of amazing support that will allow us to bring this event back again to support the Lions Bay Volunteer firefighters - even bigger and better - for next year.

Curly Stewart Lions Bay Fishing Derby Sponsors:

- THE LIONS BAY GENERAL STORE -
- CRAIG DOHERTY - Realtor -
- THYRA McKILLIGAN - Realtor -
- ELIZABETH DYER -Realtor -

Thank You!

TIAGO MONK
Kids Biggest Coho - 3.7 lbs

THE KINGFISHER TROPHY

PHILIP MARSH
Adult Biggest Coho - 5.1 lbs

Lions Bay Trailblazers

On Thursday September 30th at 5:00pm the drawing for Barbara San Severino's magnificent painting "Winter Vision " will take place at the Lions Bay Store.

She is generously donating all the proceeds to the Lions Bay Trailblazers, so that we can carry on building and maintaining our 20 kms of village trails.

Ken More, who amongst other things, designed and built the map kiosks plus the recent new stairs at the bottom of the Lower Harrison (with the help of a few of our team), will be drawing the winning ticket.

The latest map at the beginning of The Centennial Trail has now been installed. This was drawn by the Grade 3 students at Lions Bay School earlier this year, with the idea of showing and naming the little Creek that flows through the school grounds.

A vote was cast by all the students and the name chosen will probably surprise you. It is the English translation of a Coast Salish name, taught to the children by Bob Baker of the Squamish Nation.

We are waiting for the approval and correct spelling of the name, from the band, which will then be installed on a plaque above the map. I'm sure "Belly Button Creek" is a name that won't be forgotten!

I would like to thank all the people involved in producing the map, including Sonai Southam (the Grade 3 teacher) who inspired the kids to put it together, Barbara San Severino, Ken More, Nai Jaffer and the Village Works Department.

John Dudley.
