

Village Update

Updates from the Municipality

To keep our bears and neighbours safe, the Bear Smart Team has created an info brochure which you'll find in your mailbox. It's chock full of everything you need to know about co-existing with bears in Lions Bay. Please take time to educate your kids (we think the cute bear images will appeal to them especially!), other family members, and tenants or guests, and keep it handy for future reference.

The Bear Smart team has received a few reports of bear sightings since the recent launch of our new reporting site at www.lionsbaybearsmart.ca. Although the numbers are low right now, we expect sightings to increase as our bears search out food before heading off to hibernate.

Thanks to those who took time to let us know they've seen a bear! If you haven't yet visited the site, [take a look](#). Questions or suggestions? Get a hold of us at lionsbaybearsmart@gmail.com.

Councillor Neville Abbott and the Bear Smart Team: Amber Brown, Mandy Clark, John Xu and Norma Rodgers

ISLEVIEW PLACE ROAD CONSTRUCTION AND PAVING

BA Blacktop has tentatively scheduled the repaving of Isleview Road for mid-October. Please note:

- Road reconstruction is required for sections of the road and the balance will be ground down (milled) and then overlaid with new asphalt.
- Construction is expected to take up to **three (3) full days** – during that time, on-street parking will be restricted, and residents will be required to park their vehicle(s) wholly on their driveway or outside the paving areas such as the Park & Ride or the Lions Bay Beach Park parking lot.
- If you need to leave your home, you will need to ensure your vehicle is out of the area before 7:00 am. Please note that access to driveways cannot be guaranteed once the construction and paving operation has begun.

We understand that the above restrictions will cause inconveniences and we apologize in advance for this. *If you require any extra assistance or need to let us know of a particular consideration, please do not hesitate to email works@lionsbay.ca.*

Individual letters have now been sent to all residences on Isleview Place with further information. Please also check the Village Update and the [Village Website](#) for updated information.

Council & Committee Meetings

NEXT COUNCIL MEETING OCTOBER 5th

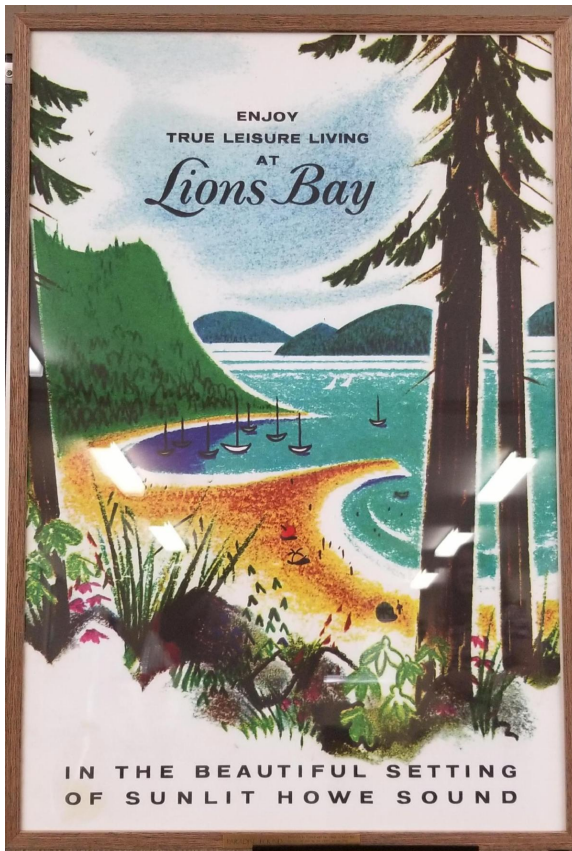

Climate Action Committee - October 12th at 7:00 pm
