

THE MUNICIPALITY OF THE VILLAGE OF LIONS BAY

Competition: LB-RFP-2021-06

RFP: Engineering Design Services for Centre Road, Upper Bayview, and Bayview Place Watermain, Road, and Drainage Systems

Closing date: 2021/11/17 12:00

Department: Public Works

Document Title: **ADDENDUM 2**

Summary Details:

The Municipality has reviewed the issue of street/pedestrian lighting in this RFP with a qualified profession and have ascertained that given the numerous issues with this location including but not limited to the steepness of the road, location of existing hydro poles, changes in travel direction, tree canopy, and the issues of trespass lighting, we have determined it in the best interest of the Municipality to eliminate a formal lighting study from this RFP. Specifically, we ask that proponents eliminate:

Schedule A – Scope of Services

Proposed Works

3) Road Design

- c. Review pedestrian lighting to meet Transportation Association of Canada's (TAC) guidelines through the BC Hydro streetlight arms attached to existing hydro poles;**

Should street lighting become an issue with residents during the public consultation process, we will work with the successful proponent to address this at that time.
