Horseshoe Bay, Monday to Friday, 9am - 5pm

This flu shot is sponsored by the Village of Lions Bay, the LB Seniors social Circle and Bay Pharmacy, Horseshoe Bay

The Lions Bay Remembrance Day Ceremony

November 11, 2021

By Brenda Broughton

The Lions Bay Remembrance Day Ceremony was very special ~ as it is each year. This year we were blessed to have two 100 year old residents, Berenice LeBoutillier and Leszek Sredzki laying the Wreath for the Veterans.

[Slide Show](#)

Our Gold Medal Olympian Madison Mailey laid the Wreath on behalf of Canada and Dr. Ross Brown on behalf of British Columbia. Lions Bay Fire Rescue member Duncan Rexsworthy laid the Lions Bay Fire Rescue Wreath.

Mayor McLaughlin welcomed all, Anne Crosthwaite read 'In Flanders Fields', Dr. Ross Brown spoke of both Afghanistan and the impact of Covid 19, Tony Cox read the 'In Memoriam' names of Lions Bay Veterans to be remembered, Trudi Luethy lit the Peace Candle, Brenda Broughton spoke on Peace that our Veterans sacrificed to create and support, and Cayla Brooke sang Vera Lynn's song, "We'll Meet Again". Thank you to Michael Broughton for arranging Taps, Two Minutes of Silence, and the Rouse/Reveille, followed by Suzanne Forshaw introducing the laying of the Wreaths.

Mayor McLaughlin announced the naming of the 'Chevalier 'Sir' Norman Kirby Garden' in the area surrounding the Cairn in front of the Village Office.

There was so much wonderful visiting among the many who gathered.

A Special Thank you to our Lions Bay Fire Rescue, to our Lions Bay Elementary School Children for their beautiful Poppy artwork, to the Remembrance Day Ceremony Team and to the Village of Lions Bay Staff and Lions Bay Public Works.

A Special Thanks to Trudi Luethy for her 13 years creating our Remembrance Day Ceremony !

You may link to [Mayor McLaughlin's Welcoming](#) and Closing Address and Brenda Broughton's [Address on 'Peace'](#) which are each in print form.

We live in a truly wonderful community ~ The Village of Lions Bay !

Have your say

Lions Bay: Are we “general urban” or “rural” (inside or outside the Urban Containment Boundary)?

Issued by Council for the Village of Lions Bay

Why are we asking this question?

All municipalities in BC belong to a Regional District. Lions Bay is a member municipality of the Metro Vancouver Regional District (MVRD, or “Metro”), previously known as the Greater Vancouver Regional District (GVRD).

When Metro implemented their new bylaw to restrict and regulate the use of residential wood burning appliances, the fact that Lions Bay is designated as urban and identified as being within Metro’s Urban Containment Boundary (UCB), meant we would be subject to additional requirements and ultimately a ban of non-compliant wood stoves and open fireplaces unless manufactured fire logs were used. Communities outside the UCB are not subject to these additional requirements, including the Villages of Anmore and Belcarra, and Bowen Island.

Lions Bay asked to be exempted from the wood burning bylaw in accordance with the community’s wishes (public consultation throughout the Village occurred in 2019). This request was denied by Metro, although an extension for full compliance was granted until September 2032.

When the bylaw came into effect this year, over 200 Lions Bay residents signed a request for Council to move Lions Bay outside the UCB.

Council also heard from residents at council meetings and by email. Staff from Metro Vancouver were invited to address Council to answer questions about the difference between “general urban” and “rural” communities, and what the urban containment boundary means in Metro’s plan for the region.

The request received from residents was discussed by Council at its regular meeting on July 27th, 2021, and Council decided to ask the community the question formally: in terms of how we live and how Metro defines urban and rural communities, is Lions Bay “general urban” or “rural”? With the benefit of additional information, Council is asking you to [Have Your Say](#).

How does Metro define a rural community (outside the UCB)?

- Level of development does not require urban services from Metro (sewer or transit within the community)
- Protect character of rural communities, landscapes, and environmental qualities
- Uses: low density residential; small scale commercial, industrial, and institutional uses; agriculture
- Not intended for future urban development

How does Metro define an urban community (inside the UCB)?

- Residential neighbourhoods, shopping, services, institutions, recreation, parks – “urban densities”
- Place-making, enriched public realm, transit-oriented communities
- Transit, multiple-occupancy vehicles, cycling, and walking are the preferred modes of transportation.

Council has compiled background information and a list of Frequently Asked Questions in a Have Your Say brochure you will receive in your mailbox (one response per Lions Bay resident or property owner, not one per household). It includes a form for you to weigh in on this question which you may complete and drop off at the office, or scan and email to feedback@lionsbay.ca. **Preferably**, residents and property owners will fill out [the information and form online](#) so that it can be automatically compiled and formatted through the Village website software.

The deadline to complete the survey is Monday, November 15, 2021. Copies of the questionnaire are also available at the Village Office.

Lions Bay Fire Rescue is updating their database for all properties within the Village.

As part of updating their pre-fire safety plan, LBFR would like all property owners to let the Village office know if they have a propane tank or an above ground oil tank on their property. This information will then be forwarded to the Fire department; the information helps keep our fire department members safe.

If the tank(s) have been removed, please let us know.

You may provide the information [here](#) or by calling 604-921-9333.

LBFR would also like to remind residents to confirm that your house number is visible from the street so if there is an issue in the middle of the night they can find you in a timely manner.

Please also report any fire hydrants that have been covered in foliage to the Village so that they may be cleared and accessible for use in an emergency.

With the turn in the weather to cooler temperatures, we would like to remind you of the best burning practices:

- Use only clean, seasoned wood
- Don't let your fire smoulder
- Don't burn garbage, plastic or treated wood
- Inspect and maintain your appliance
- Burn small + hot fires
- No visible emissions except when starting a fire

You can also view a Best Burning Practices video [here](#).

VILLAGE OF LIONS BAY

TAKE NOTICE that on November 16, 2021, at 7pm, Council of the Village of Lions Bay intends to consider adoption of the following amendments to **Procedure Bylaw No. 476, 2015, as amended:**

Section 4 – Definitions | Section 8 – Time of meetings

Sections 9 and 10 – Notice requirements for meetings

Section 11 – Electronic meeting provisions

Section 20 and 21 – Quorum provisions

Section 23 – Order of proceedings

Section 28 – Delegations | Section 31 - Conduct

and other consequential amendments and miscellaneous housekeeping amendments.

For further information, please contact admin@lionsbay.ca.

Christmas Tree Pre-Ordering Feedback Needed

This December the Lions Bay School PAC will again be selling Christmas Trees and would love to know if you intend to order one. As one of the few COVID friendly fundraising opportunities in an otherwise tricky period, having an idea of demand will help us to avoid over or under ordering.

If you – or anyone you know - would like to support our little school in the forest with the purchase of a tree, please let us know via [Lions Bay School Xmas Trees 2021](#).

As a reminder, last year we had varieties ranging from 6ft - 13ft with you choose or local home delivery available. Order forms and further details coming soon.

JANELLE NADEAU ENSEMBLE

A PRAIRIE CHRISTMAS
Saturday December 11, 7:00 - 10:00pm
Lions Bay Village Hall

Gold Sponsor

THYRA MCKILLIGAN

SATURDAY DEC 11, 2021

**NADEAU ENSEMBLE'S 'A PRAIRIE CHRISTMAS' | Lions Bay Village Hall Encore
Presentation of a Christmas Classic. Harp. Violin, Fiddle, Medieval Instruments.
Sleigh-bells. Stories and Song**

The Nadeau Ensemble's 'A Prairie Christmas' is a seasonal musical journey that evokes memories and reminds us, through music, what Christmas is all about.

Janelle Nadeau, on the pedal harp and vocals, will be joined by world-renowned fiddler, violinist and vocals **Serena Eades** (Delhi2Dublin). Medieval instrumentalist, **Joaquin Ayala** rounds out the group with his special collection of rare instruments dating back from the 9th century. This group has come together to bring the gift of beautiful and inspiring music to all those who keep the important traditions of the Christmas season close in their hearts. Last time (2019) this event SOLD OUT... so make sure to get your tickets early. See you there!
