

VILLAGE OF LIONS BAY
CODE OF CONDUCT
ADOPTED: December 18, 2018

A. INTRODUCTION

As local elected and appointed representatives (“Members”), we recognize that responsible conduct is essential to providing good governance for the Village of Lions Bay.

We further recognize that responsible conduct is based on the foundational principles of integrity, accountability, respect, and leadership & collaboration.

In order to fulfill our obligations and discharge our duties, we are required to conduct ourselves to the highest ethical standards by being active participants in ensuring that these foundational principles, and the standards of conduct set out below, are followed in all of our dealings with every person, including those with other members, staff, and the public.

B. HOW TO APPLY AND INTERPRET THIS CODE OF CONDUCT

This Code of Conduct applies to the Council Members of the Village of Lions Bay. It is each Council Member’s individual responsibility to uphold both the letter and the spirit of this Code of Conduct in their dealings with other members, staff, and the public.

Elected officials must conduct themselves in accordance with the law. This Code of Conduct is intended to be developed, interpreted and applied by Council Members in a manner that is consistent with all applicable Federal and Provincial Laws, as well as the bylaws and policies of the Village of Lions Bay, the common law and any other legal obligations which apply to Council Members individually or as a collective Council.

Except where otherwise indicated, this Code of Conduct also applies to the members of boards, committees, subcommittees, working groups, task forces and other advisory bodies, collectively referred to as Committee Members. Where the term “Members” is used without qualification, it applies to both Council Members and Committee Members.

C. FOUNDATIONAL PRINCIPLES OF RESPONSIBLE CONDUCT

1. **Integrity** – means being honest and demonstrating strong ethical principles. Conduct under this principle upholds the public interest, is truthful and honourable.
2. **Respect** – means having due regard for others’ perspectives, wishes and rights; it also means displaying deference to the offices of local government, and the role of local government in community decision making. Conduct under this principle is demonstrated when a Member fosters an environment of trust by demonstrating due regard for the perspectives, wishes and rights of others and an understanding of the role of the local government.
3. **Accountability** – means an obligation and willingness to accept responsibility or to account for one’s actions. Conduct under this principle is demonstrated when the Council (or other decision-making body of the Municipality), individually and collectively, accept responsibility for their actions and decisions.
4. **Leadership & Collaboration** – means an ability to lead, listen to, and positively influence others; it also means coming together to create or meet a common goal through collective efforts. Conduct under this principle is demonstrated when a Member encourages individuals to work together in pursuit of collective objectives by leading, listening to, and positively influencing others.

E. SPECIFIC AREAS OF ETHICAL CONDUCT

Confidential Information: Members shall respect the confidentiality of information that could reasonably harm the interests of individuals or organizations, including the Village of Lions Bay, if disclosed to persons who are not authorized to access the information, as well as information to which section 117 of the *Community Charter* applies. Members shall neither disclose confidential information without proper authorization, nor use such information to advance their personal, financial or other private interests.

Conflict of Interest: Council Members are expected to make decisions that benefit the community. They are to be free from undue influence and shall not act or appear to act in order to gain financial or other benefits for themselves, family, friends, or business interests. Council Members must appropriately resolve any conflict or incompatibility between their personal interests and the impartial performance of their duties in accordance with the statutory requirements of Part 4, Division 6 of the *Community Charter*.

Committee Members are uncompensated volunteers who are expected to provide advice and recommendations in the best interests of the community. They are to be free from undue influence and shall not act or appear to act in order to gain financial or other benefits for themselves, family, friends, or business interests. They are required to be vigilant for issues of

real or perceived conflict of interest and declare any such conflicts openly and immediately, removing themselves from the meeting room and any discussion of the matter. The CAO is available to discuss issues of conflict with a potentially affected Committee member.

Gifts and Personal Benefits: The receipt and reporting of gifts and personal benefits is dealt with under sections 105 and 106 of the *Community Charter*.

Council Members must not accept a gift or personal benefit that could reasonably be expected to result in a real or perceived conflict of interest, and to assist in avoiding that situation, Council Members will not accept gifts or personal benefits having a value that exceeds \$50.00 from business or commercial enterprises or, where the total value of such gifts and benefits, received directly or indirectly, from one source in any twelve (12) month period, would exceed \$250.00.

It is the responsibility of Council Members to be familiar with the provisions in the *Community Charter* relating to acceptance and disclosure of gifts and to ensure that they comply with these requirements as contemplated by the statute.

Policy Role of Members: As a general principle, the Municipality adopts the one employee model where Council's point of contact with staff is the Chief Administrative Officer. In this model, the Council determines the policies of the Municipality with advice, information and analysis provided by Municipal staff. Council Members, therefore, shall not interfere with the administrative functions of the Municipality or with the professional duties of Municipal staff. Council Members will defer to the authority and responsibility of the Chief Administrative Officer on all matters relating to the management of staff or their duties and shall not impair the ability of staff to implement Council policy decisions.

Respectful Workplace Environment: Members shall be aware of and act in accordance with the Village of Lions Bay Respectful Workplace Policy No. 1501.
