PLANNED POWER OUTAGE
Wednesday, August 8 from 9 am to 9 pm

BC Hydro will be replacing a key power pole in the Village - this will result in a power outage for all of the Village other than Isleview Road, Lions Bay Avenue, Southview Place, Cloudview Place, Seaview Place, Kelvin Grove Way, Tidewater Way, Periwinkle Place and Sweetwater Place. Everyone else needs to be prepared for what could be a daylong outage (and hopefully no longer). Be prepared:

- * Make sure you have a fresh supply of batteries and flashlights
- * Charge your phone, laptop, and other important electrical devices
- * Turn off and unplug all unnecessary electrical appliances especially sensitive appliances such as TVs, computer, and DVD players. Once the power returns, a surge of electricity may damage your items.
- * Don't open your freezer or fridge unless it is absolutely necessary. A full freezer will keep food frozen for 24 to 36 hours if the door remains closed.
- * Never use charcoal or gas barbecues, camping heating equipment, or home generators indoors or in garages. They give off carbon monoxide, which can cause serious medical harm or death.

* Residents who rely on power for medical needs may need assistance - If you are aware of a resident who may fall into this category, please check in with them to ensure they're aware of the outage and have planned accordingly.

Please note that the southbound off-ramp for central Lions Bay will be closed for the duration of the work so people will need to use the Kelvin Grove interchange and double back.

Village Office Closed August 6

Please note that the Village Office is closed for BC Day on Monday, August 6 and will re-open on Tuesday, August 7 at 10:00 am.
