News from the Municipality

Salt Supplies Reach Critical Level

The Lower Mainland's two main suppliers of road salt, McTar (now Lafarge) and Mainroad, are not able to provide any more salt to Lower Mainland municipalities. Supplies of road salt have been hit hard due increased demand during the heavy snow conditions thus far. Salt supplies are typically barged in from Chile and the Baja Peninsula and new shipments are not expected until mid-February. Like many other Lower Mainland municipalities, Lions Bay's salt stores have reached a critical low and Public Works is now being forced to mix the remaining salt with sand.

What this means for Residents

Public Works will monitor its ambient air temperature thermometer at the Works Yard closely for temperatures at or below freezing over the next few weeks. When temperatures drop to freezing, crews will be rationing the remaining salt/sand mixture by concentrating application on curves, steep sections of roadway, and at the three railway crossings. Flat and relatively flat streets will not be treated.

Reminder

We attempt to minimize the impact of snow and ice. However, **it is each motorist's responsibility to drive according to the road conditions.**

If you have questions or concerns, please feel free to contact us at works@lionsbay.ca. If it's an emergency, please contact the on-call cell phone at (604) 290-1498.

REQUEST FOR APPLICATIONS TO SIT ON THE CURLY STEWART MEMORIAL TRUST FUND AWARD COMMITTEE

The Curly Stewart Memorial Trust Fund was established to honour the life and public service of the first mayor of the Village of Lions Bay, Allan M. “Curly” Stewart, who served from 1971 to 1981. A scholarship is awarded from the trust fund annually to a secondary student resident in Lions Bay who best exemplifies the qualities described in the terms of reference for the award.

The Curly Stewart Memorial Trust Fund Award Committee reviews applications and makes award recommendations to Council. Deliberations of the Committee are confidential.

The Committee has openings for new members. Familiarity with the ideals of educational aspirations, community service, citizenship, arts, athletics and an ability to consider applications intended to illustrate these ideals would be an asset.
