Q6 What changes are needed?

#	OTHER (PLEASE SPECIFY)	DATE
1	We need a launch spot for kayaks outside the boomed swim area. It is very difficult, and dangerous for other beach users, to beach and store a kayak late on a summer's afternoon. Manoeuvering a 25 kilo, 18 foot boat around youngsters is a challenge for the kayaker and potential danger to the kids.	12/15/2017 5:01 PM
2	Outdoor shower	12/15/2017 1:40 PM
3	Some tree removal, as there is too much shade now, especially up on the playground area. The trees have gotten too big.	12/14/2017 4:49 PM
4	I feel that the grass area could be kept cleaner (free from goose feces)	12/14/2017 5:40 AM
5	Need a working shower. This is our family's most urgent priority along with the replacement of the toddler play area.	12/13/2017 10:25 PM

6	I know many consider the washrooms unattractive, but really as a public facility at a sandy/dirty location, I think it is quite fine. On par with what you see along the West Van seawall - a cement bunker with a sink and toilet! I have found we rarely have to wait to use the toilet.	12/11/2017 12:34 PM
7	I hate washroom at beach. I couldn't go to the beach last year, because I scared to yucky it.	12/9/2017 9:40 PM
8	We have kayaks and we would love to be able to launch from the beach using the kayak rack and we feel that we would be attending more of the events and using more of the beach since we would be using our kayaks regularly.	12/9/2017 3:30 PM
9	Complete redo of the washrooms	12/9/2017 11:48 AM
10	All that is really needed is the shrubbery around the trees close to the beach need to be cleaned out. This will increase the usable space considerably and make the park more open and fresh. We used to have younger children and actually assisted in the installation of the playgrounds as volunteers. If they need replacement for safety reasons, well, so be it, and go ahead. But do not increase their footprint at all.	12/9/2017 9:49 AM
11	Cleaner washrooms, perhaps a weekly password on the door for residents/guests so it doesn't get vandalized by non-locals	12/9/2017 9:09 AM
12	Proper showers, paddle board storage and a filtered water bottle station needed.	12/8/2017 3:44 PM
13	More garbage cans.	12/8/2017 3:14 PM
14	Support increasing boat storage space. Could there even be tiered pricing for boat storage - e.g. a smaller amount to officially store kids kayaks and other water toys during the summer? This summer we found our neighbours in the storage area were trying to stow a tonne of kids stuff plus 2 kayaks in their one teeny spot and it kind of jammed up the whole shelf and made getting our stuff out a painful exercise. Sympathize with them not wanting to pay \$100 per year for each kids item - maybe if there was a cheaper, official area for kids stuff?	12/8/2017 2:30 PM
15	Additional storage for SUP, kayaks etc.	12/8/2017 1:06 PM
16	If the trees are rotten, getting rid of them should be high priority!!!!	12/8/2017 12:09 PM
17	the quality of the beach sand is construction site type sand, it is dusty and dirrty	12/8/2017 11:57 AM
18	Fix up what is there	12/8/2017 11:53 AM
19	Lockers would be of great value. Vending area (summer only) would be handy. Something that does not compete with the Marina. The kayak/canoe storage racks are inadequate in that the spaces are the wrong dimensions (length and width) for most crafts. The spaces should better match the typical crafts (and not stick out causing a serious safety issue not sure how many times I've knocked my head in on the two yellow kayaks at the bottom) and ensure the neighboring craft in the adjacent slot doesn't impose on the space you've rented by either just falling over or poor storage techniques.	12/6/2017 12:35 PM
20		12/5/2017 9:31 PM
21	Washroom revitalization is extremely desired with the items in this section less important.	12/5/2017 9:57 AM
22	Shade was good this summer, but if your planning on taking down trees it will be too little shade next summer.	12/5/2017 9:18 AM
23	stairway access from beach to parking area. As well as the pathway was highly washed out last time. These have kept me away for some weeks now as well as rude people and a very rude by-law officer.	12/5/2017 2:02 AM
24	Event facilities with covered common area. Common BBQ where residents can bring a tank down and picnic. Multiple points for recycling and garbage with more frequent collection especially on weekends.	12/4/2017 2:12 PM
25	Improved parking. Divers are always going to frequent this area, they're even happy to pay for parking if it's easy to do on site, or via a mobile device. Better changing rooms, safer steps to beach will also improve things. More garbage bins too.	12/4/2017 10:57 AM

Obviously "personally", I think the beach and swim areas are great as they currently are; the crew does an excellent job removing logs at the end of each winter, leaving a few logs in place which I appreciate; and I appreciate being able to use my laptop or read documents on my cell phone in the shade - I love the trees! - while my kids are playing and swimming. I have to be doing something, either paddling or trying to accomplish something, and have never been able to just "hang out" on a beach. I appreciate that I'm able to do both easily here.	12/3/2017 7:37 AM
Diving board on dock. Kids love the floating dock-great hangout place. Could have a second floating dock further out for older kids and adults. This is the best feature of the beach. Could extend the boomed area out. Could improve the kayak/canoe/SUP launch maybe a dock to launch from.	12/2/2017 3:47 PM
garbage and recycle improvements	12/2/2017 11:47 AM
Washrooms / changerooms need replacing or updating but are right sized on balance.	12/1/2017 7:23 PM
an actual dock going out from the concrete section (or fixing concrete/rocks) would be amazing for those that don't swim out to the pontoon but maybe that doesn't make sense?	12/1/2017 5:28 PM

Q8 In 100 characters or less, what's right and what's wrong with Lions Bay Beach Park?

#	RESPONSES	DATE
1	I go there to be close to the sea. If you put signs up to show the other water right of way access points and make the owners keep them accessible I would be happier.	12/17/2017 12:25 PM
2	It's a nice spot but not the best for launching kayaks. Let's separate kayakers and swimmers.	12/15/2017 5:01 PM
3	It is a charming place is some disrepair. It would appear this project will provide necessary upgrades. Bravo!	12/15/2017 3:01 PM
4	Great the way it is. Suggested improvements are good	12/15/2017 1:40 PM
5	With increased use from non-residents, we need to provide increased facilities, washrooms, benches, picnic tables etc.	12/15/2017 9:30 AM
6	Overuse on weekends results in excess garbage, washroom problems and reduced parking area. Would like to see day use fees charged for non-residents.	12/14/2017 11:00 PM
7	I love walking through the park. Sometimes I sit on one of the benches and just enjoy the peace and quiet and sometimes I enjoy watching the children and the people playing and relaxing. The washrooms could use a facelift. It's a small park and not much can be done about that. Just a bit of care and it's perfect.	12/14/2017 10:54 PM
8	The bathrooms are deplorable more level space and more garbage containers lets keep it to fit into its surrounding natural environment and lets not convert it into a country club that also goes to the children's play area can we get more muted colours less plastic like Ambleside but please no music	12/14/2017 10:04 PM
9	Great resource/amenity to the community. Please invest in it and give it the renewal it needs!	12/14/2017 9:52 PM
10	This is an amazing park for our community & a very well used beach for swimming for kids, adults, & many of our seniors. It is the reason I am still here after 30 years. The community events at the park are all very well attended by residents of all ages. It is what pulls our community together, & is a fabulous place to meet new neighbours. I am so glad that the village is finally making some long awaited improvements to our amazing LB Beach Park.	12/14/2017 4:49 PM
11	bad: vandalism, crowding, parking ,tree topping, no outdoor cold shower/fountain. good: sand, dock(should be cedar not pressure treated wood)	12/14/2017 10:25 AM
12	Great safe area. Love the multi-aged play areas (but keep them separate). Bigger, better play structures would be wonderful for the village as a whole. WE use the park regularly throughout the year just for our toddlers even when not beach weather	12/13/2017 10:25 PM
13	It's the perfect locals' hangout! It's rustic and so much fun. We love that there's a beach and a park in the same place. It just needs basic maintenance to keep it safe and clean.	12/13/2017 10:19 PM
14	See Above. Its great the way it is. It just needs some minor upgrades to fix worn out materials	12/13/2017 11:33 AM
15	Great swimming beach, washrooms and stairs need repair	12/12/2017 4:32 PM
16	It's beautiful and the basic footprint and functionality should support our villages needs. Improved management and facilities for the betterment of Lions Bay residents, specifically those families who regularly use the amenities	12/10/2017 4:39 PM
17	retaining the character of the beach, clean and fix up but not reinvent	12/9/2017 12:20 PM
18	Lions Bay Beach Park is great but community and Metro Vancouver's growth now means it's insufficiently appointed to accommodate the current demand. Upgrades on most facilities are required.	12/9/2017 12:13 PM
19	Lots of green space is good, no more sand replacing grass needed	12/9/2017 9:49 AM

down early in the moming to get a spot. Right the spot wrong not maintained at all. 12/9/2017 8.43 AM			•

55	We think it is pretty much ideal. We've used it for 40 years with kids and now grandkids. The washroom needs improving and the steps down to the beach.	12/3/2017 6:06 PM
56	Right: family-friendly; good versatility Not-so-right: garbage, washrooms/changing rooms; rec watercraft access and storage	12/3/2017 7:37 AM
57	Lions Bay Beach is breath-taking. Yes to safety and upkeep, no to "biggering"/hot showers, storage lockers, bandstands Let's keep it clean and green.	12/3/2017 1:29 AM
58	Washroom facility is a dump. We would be happy with a workable outdoor shower and foot rinse shower.	12/2/2017 10:00 PM
59	The play equipment needs to be replaced. It is unsafe. The washrooms need an upgrade.	12/2/2017 7:33 PM
60	Having kayak at beach is great. Dock and floating fenced off area is great. Toilets suck-dirty, overflowing need replacement/improvement I like that there are no dogs allowed. Too many trees, shrub and bushes spoil beach area. Great area for kids to play and people to socialise.	12/2/2017 3:47 PM
61	Its almost perfect just needs a better washroom with some showers and BBQ area.	12/2/2017 11:47 AM
62	Our Lions Bay beach is a wonderful place to be. Such beauty needs to be protected. I am against just standing by and doing nothing. There is plenty of that going on in this world of ours	12/2/2017 10:57 AM
63	It is a lovely little park - but it's little and has become overcrowded in the last few years.	12/2/2017 9:57 AM
64	LB beaches are for the comunity & services should be directed as such.	12/2/2017 9:12 AM
35	Captial spending on the beach should not be a priority. Our roadways require improvement, our community requires safety improvements such as street lights, tree/shrubs need to be pruned. The beach serves only few residents. Money should NOT be wasted on the beach.	12/2/2017 6:32 AM
66	The beach parks provide convenient access to the ocean for both residents and visitors. The playgrounds have always been well used and should be maintained to a safe and enjoyable standard. Washrooms are quite tired and in need of updating. Regular and preventative maintance should be a priority to maximize the useful life of our village assets. Since so much is broken it would seem this has not been the case.	12/1/2017 7:23 PM
67	Respect the ruralness of the LB beach, there is no need for a big fancy washroom	12/1/2017 7:06 PM
88	I think all LB families really enjoy OUR friendly beach.	12/1/2017 6:43 PM
69	i kind of like it as is, bathrooms could be fixed. the toddler play strucutre needs to be replaced	12/1/2017 5:28 PM
70	Awful washrooms, difficult to park, not enough cooking facilities, sub standard play area for the young ones, needs to be maintained to a higher standard	12/1/2017 4:45 PM
7 1	The response scale for Question #6 makes no sense! What is the difference betweenthe changes needed are just right and none? This scale will provide no meaningful data. Shame! Also,	12/1/2017 4:37 PM
	what about my predicted needs? My children are now grown. They don't use a toddler area. Their children will when I am a soon to be grandmother. In order to find out what's right and wrong, the questions need to be tested and you need to be sure you are measuring what you are intending to measure.

73	I am basically happy with the way the beach is maintained. A few of the ptojects listed above would be nice but don't have to be done all at once	12/1/2017 4:25 PM
74	Its pretty good as it, given the size and funding available.	12/1/2017 4:15 PM
75	It's a jewel. Outsiders don't contribute.	12/1/2017 7:46 AM
