"LOOKING BACK"

Did you know that "The Lions" also known as the Two Sisters, have inspired the naming of the Lions Gate Bridge, the B.C. Lions football team and the village of Lions Bay. The tale of "The Two Sisters" is deeply rooted in the local land and has an important message of reconciliation, sharing and peace.

December 6th/7th Flushing in Brunswick Beach Neighbourhood

Due to the severe rainstorm early this week and a plugged intake at Magnesia Creek, Public Works was unable to complete its flushing program for the Brunswick Beach neighbourhood. Public Works staff anticipate we will be ready to complete the program next Thursday or Friday between the hours of 7:30 AM and 3:00 PM.

The flushing of watermains is necessary to remove sediments that gradually deposit in the pipes over time. The Municipality is mandated to flush our watermains twice a year to comply with our drinking water treatment permit to operate issued by Vancouver Coastal Health.

During the flushing period, residents are advised to avoid using water to the extent possible and to place their filters, softeners and other water treatment equipment in 'by-pass' mode. Use of water during flushing will draw into the residential system the agitated sediment, thereby requiring more rigorous clearing of your water lines. Water drawn in during flushing can also lead to clogged filters and screens and may discolour laundry. During the flushing period the water will remain safe and potable, however, there may be brief periods of discoloration, cloudiness and temporary pressure fluctuations. The Village of Lions Bay accepts no liability for inconvenience or damage caused by low pressure or discoloured water use during its flushing program.

After the flushing is completed, we advise residents to clear their water lines. To do this simply let your cold water tap (remove screens/aerators on tap) closest to the incoming water line run until the water flows clear prior to returning any water treatment equipment back on line.

The Village of Lions Bay thanks you for your co-operation during this seasonal flushing program.
