### **Operating Concept**

3. The DNV will establish, fund and operate the Registry. The DNV will recover its costs of operating the Registry by charging the other Parties on a per-adjudication basis for their proportional use of the Registry's services.

### **Registry Oversight**

4. The Parties agree to establish the Oversight Committee. Each Party will appoint one representative to serve on the Oversight Committee. The Parties agree that representatives will be paid employees of their respective local governments and will not be remunerated by the Registry.

5. The Parties agree that the purpose of the Oversight Committee is to ensure that:
  - a) the Registry is operating in compliance with the Act and Authorizing Bylaws;
  - b) the operation of the Registry is meeting the needs of the Parties; and,
  - c) the expenses of the Registry remain reasonable and the per-adjudication cost recovery mechanism remains fair.

### **Operations and Logistics**

  - a) the Registry will be located in the municipal offices of the DNV, 355 West Queens Rd, North Vancouver, B.C., V7N 4N5;
  - b) the Registry will administer the bylaw notice dispute adjudication system;

  - g) The DNV will provide and supervise all administrative services required by the Registry, subject to the following:
    - i) the collection of any fees, fines or penalties levied against an unsuccessful party in the dispute adjudication process will be the responsibility of the relevant Party if not collected by the Registry immediately following the adjudication; and,
    - ii) any penalty arising directly out of the bylaw notice itself may be paid to the relevant Party or to the Registry,

and any amounts collected by or paid to the Registry pursuant to (i) and (ii) will be credited to the relevant Party and subtracted from the amount owing by that Party for their proportional use of the dispute adjudication system.

**Finance, Invoicing and Reporting**

7. Each Party is responsible for its own start-up and any other costs with respect to its participation in the Registry.
8. The budget year of the Registry is the calendar year.
9. The DNV will prepare an annual operating budget for the Registry within the DNV corporate budgeting process and will fund the operation of the Registry from this budget. The DNV will recover its costs of operating the Registry, plus an administrative fee for establishing, funding and administering the Registry, from the other Parties.
10. The Registry operating budget will be based on the annual number of adjudications anticipated from each Party. The budget will set out the operational funds required by the Registry for the carrying out of its mandate and responsibilities, including:
  - a) the estimated operational expenditures for:
    - i) office and administration including financial reporting and administrative services;
    - ii) bylaw dispute adjudicators; and
    - iii) other functions of the Registry;
  - b) the anticipated revenues (if any) of the Registry;
  - c) the difference between estimated revenues and operational expenditures for the Registry; and,
  - d) the anticipated cost per adjudication that will form the basis for invoicing Parties for use of the Registry's services.
11. Each Party must pay for its proportional use of the Registry's services. The DNV will issue an invoice for such costs (less any amounts collected directly by the Registry and deducted in accordance with section 6(g)) following each day of adjudication. The Party will pay the DNV the amount in the invoice within thirty (30) days of receipt of such invoice.
12. The Parties agree that all costs relating to legal services, witnesses, screening officers and bylaw enforcement officers as they pertain to the dispute adjudication process, and to the activities of the Registry more generally, will be borne by the relevant Party which issued the bylaw notice in question and will not be borne by the Registry or by the DNV on behalf of the Registry.
13. No Party, nor the DNV in the name of the Registry, shall incur expenses or indebtedness on behalf of, or in the name of, the Registry outside of those in the approved DNV annual operating budget for the Registry. Requests for additional expenditure or the incurring of indebtedness must be made to the Oversight Committee. If supported by the Oversight Committee, the request will be forwarded to the DNV. The Chief Financial Officer for the DNV

shall review all such requests that are additional to the approved annual operating budget for the Registry and has sole discretion to approve, subject to adhering to DNV budget approval processes and timeframes, or to reject such requests.

14. The DNV will ensure that its General Manager of Finance conducts and oversees the financial reporting and record keeping of the Registry based on normal municipal finance procedures, subject to the requirements outlined in this Agreement. With respect to financial administration of the Registry, the Chief Financial Officer for the DNV will:
  - a) exercise the duties and powers of the officer responsible for financial administration as provided in the *Community Charter* in maintaining the financial records for the Registry on behalf of the Parties;
  - b) ensure that accounting and payroll records of the Registry are properly prepared and maintained, such records to include payroll, accounts payable, cash receipts and disbursements, accounts receivable, general ledger, subsidiary cost ledger, financial statements and reports and supporting documents to the foregoing;
  - c) provide, when possible, any additional financial reports or analysis that the Oversight Committee may request; and,
  - d) direct employees and officers of the Registry to the extent necessary to ensure that the systems and procedures established for financial controls are in effect and are in accordance with the *Community Charter*.
15. The DNV will cooperate with any reasonable request by a Chief Financial Officer for a Party for access to financial records, user statistics and other information of the Registry. The Chief Financial Officer of a Party may, acting reasonably, with a view to minimizing the administrative burden on the DNV and no more than once per year of the term of this Agreement, conduct audits or examinations to obtain information or determine that adequate financial controls are being maintained for the Registry.

### **Indemnity and Insurance**

16. The Parties agree that in the event that the DNV is named in a legal action arising in any way, directly or indirectly, from the operation or administration of the Registry or any adjudication conducted pursuant to this Agreement, then the Party who issued the Bylaw Notice associated with or giving rise to the legal action will indemnify the DNV for all of its costs, including staff time and solicitors and professional fees and disbursements, for responding to and defending against such legal action except in the case of dishonesty, gross negligence or malicious or wilful misconduct by the DNV. Such costs will be paid within 30 days of receipt of an invoice for same from the DNV.
17. Each Party is responsible for maintaining its own liability insurance in respect of its participation in this Agreement. Such insurance must cover any liability that may arise from the negligence of such Party related directly or indirectly to or arising in any way from participation in this Agreement. Each Party must immediately inform the other Parties if the insurance coverage required herein is cancelled, expired or has otherwise lapsed.
