## What's Happening in Lions Bay

---

The LB Bird Friendly Initiative and [Átl'ka7tsem/Howe Sound Marine Stewardship Initiative](#) (MSI) are excited to announce the creation of the interactive [Marine Reference Guide map](#).

This is an extension of our Beach clean-up, scheduled for Saturday, July 23<sup>rd</sup> (details to follow).

### **Here's how you can help!**

While you're out on the waters around Lions Bay from now till the 1st weekend in August, keep a look out for marine debris onshore or in the sea, then report your sighting using the [online reporting system](#). This will enable the MSI to display the information in the Marine Reference Guide and identify areas in need of cleanup and to develop best management practices for the region.

You'll need to provide the coordinates (lat & long) which can be determined with a smartphone compass app or by dropping a pin in the map app.

A link to the reporting tool is available on the LB Bird Friendly website at [www.lionsbaybirdfriendly.ca](http://www.lionsbaybirdfriendly.ca).

**Let's do it, Lions Bay... let's help clean up our sound!**  
**Thanks in advance from the Lions Bay Bird Friendly Team**

### **AN EVENING IN ITALY!**

Please join us for a magical celebration of the arts, where we'll combine the sights, smells, and cuisine of beautiful Southern Italy.

While you relax with a glass of Italian wine and a theme-related appetizer, Lions Bay's very own Sicilian native, Lucy Traini, will prepare pizzas along with Caesar salad and bruschetta.

We'll dine together, Italian-style, as well as receive the printed recipe to take home. Author, Karen Dodd will read from her latest suspense novel, EVERYBODY KNOWS, which is set in and around Southern Italy and Malta. Together, Karen and Lucy will inspire you to visit this spectacular Mediterranean region — perhaps for the first time — or recapture fond memories of past adventures.

When: Thurs, July 7th, 2022, 7:00pm – 9:00 pm

Where: Here in Beautiful Lions Bay; address will be provided upon RSVP
