---

I have attached a colour photograph or colour photocopy of the subject tree(s) with descriptive notes or markings if applicable.

I have verified the information contained within this application is correct. No cutting of Significant Trees, as defined by Schedule "C" to Village of Lions Bay Tree Bylaw No. 393, 2007, as amended, is contemplated by this application or, if it is, this fact is clearly and explicitly set out in the application along with supporting rationale.

I acknowledge that responsibility for bylaw compliance rests with me as the applicant. I will indemnify and save harmless the Village of Lions Bay, its officials, employees and agents against claims, liabilities and expenses of every kind, in respect of anything done or not done pursuant to this application or ensuing permit, if issued, including negligence and/or failure to observe all bylaws, conditions, acts or regulations.

I understand that, should this application be approved, all work performed must comply with any and all conditions of approval incorporated in the Council resolution, and that failure to comply with such conditions may result in fines, penalties and/or legal action.

I understand that per section 3.4.8 of Tree Bylaw No. 393, 2007, in order to protect nesting birds, no tree cutting may be carried out between March 26<sup>th</sup> and August 16<sup>th</sup> in any given year, unless:

- the cutting is required to deal with a Hazardous Tree; or
- subject to the requirement for a nesting survey by a Registered Professional Biologist, the cutting is approved by the Council as an exception where the application is connected to a building permit or other process which, if delayed, the Council considers would result in hardship to the applicant and the Council may consider:
  - i. the circumstances of the applicant;
  - ii. the scope and location of the application;
  - iii. the timing of the cutting in relation to the nesting calendar attached as Schedule "E" to the Tree bylaw.
