

# Village Update

## SPECIAL EDITION

June 29, 2023

We've received the first report of a mama bear with cub in the village this season, so we need to be extra careful not to put temptation in the way of this bear. Cubs learn from their mothers and this would be a bad start for the little cub. Thanks to all who have reported bear sightings to us. Please keep them coming via [www.lionsbaybearsmart.ca](http://www.lionsbaybearsmart.ca).

Bylaw will again be on duty late tonight and early tomorrow morning to monitor compliance with the *Garbage and Recycling Collection Bylaw* and pick-up time slots. Tomorrow's pick up is food waste, clean recyclables and garden waste only. Food waste and garbage only can be dropped off at the Works Yard in the time slots below for those who can't comply.

Last week the recycling truck had a technical issue and was 1½ hours late. Please report trucks arriving early or late to 604-986-9777. If the problems continue, please email [lionsbaybearsmart@gmail.com](mailto:lionsbaybearsmart@gmail.com). The waste collection [calendar](#) is on the village website.

It would seem the vast majority of residents are doing everything possible to keep our bears safe, thank you from the Bear Smart Team and our bears.

PS. In case you missed it last week: our little bear cub, Tsaw'in, was released into the wild. You can watch him bound into the forest in the second clip of [this video released by Critter Care](#).
