GARBAGE collection truck (ONLY) delayed – please read this carefully

Waste Control Services has sent the following message:

Please be advised that garbage collection ONLY will be delayed in Lions Bay for Highview-Oceanview, Panorama, Kelvin Grove Way, all streets leading off these and also lower Kelvin Grove, Brunswick, and central Lions Bay below the highway.

The collector has fallen ill, and the driver was instructed by Waste Control Services to take him back to the North Vancouver depot.

We have arranged a replacement partner for our driver to return back to Lions Bay and continue the route however once that is all in place and garbage collection resumes, it will likely be closer to 11:00 AM.

All other collections above the highway have been completed prior to having to switch out our collector.

If you are on Oceanview/Panorama, please bring your garbage in (ONLY) and put it out again just before 11am if you can. For all other areas listed above, please put your garbage (ONLY) out at noon.

Recycling, food waste and garden waste can remain curbside for pickup in the correct time slots.

We realize this may be extremely inconvenient for some, however, this is outside of the village's control. Thank you to everyone who is doing all they can to keep our bears from getting into trouble.
