UPDATES FROM THE MUNICIPALITY

The Village of Lions Bay is committed to supporting initiatives that enrich the Community through the Village's Municipal Grant In Aid Program. Applications are now open for interested groups to apply for support through financial or in-kind Project/ Services/ Events/ Program grant by completing the Municipal Grant in Aid Application form and submitting it to the Village Office **by December 15th**.

This form may also be obtained on our [website](#). If you have any questions, please call 604-921-9333 or email accounting@lionsbay.ca.

2024 Municipal Grant In Aid Application FORM

As we enter the season when leaves fall en masse, signaling the onset of fall cleanup, we ask that

residents kindly remember to use leaf blowers and other power tools only during the hours of 9am and 4pm, exclusive of Sundays or holidays where no such tools may be used. This is a courtesy reminder that will enable your neighbours to enjoy the tranquility of the neighbourhood. It is also a requirement in **Village Noise Bylaw 283** and the **Bylaw Notice Enforcement Bylaw No. 385**

Local Snow Removal Contractor WANTED

West Vancouver School District is seeking a local snow removal contractor to provide early-morning hand shoveling service for Lions Bay Community School this winter (the municipality takes care of plowable areas). Details from Mark Son, Manager of Purchasing & Transportation, West Vancouver Schools, (604)981-1042, MSon@wvschools.ca.

Resident James Mole donated two large Lions Bay-grown #1 Clear fir trees to Public Works to mill into timbers for the Harvey Creek bridge on Lions Bay Ave, completed last week. Here is James congratulating Public Works's Garth B. on a job well done.

WELCOME GARY!

Please join the Public Works team in welcoming our new Tech 1, Gary Stamper, to the Village this week. Gary comes to us from 13 years as Site Manager at Camp Summit in Squamish, and is originally from England's Lake District. With a Small Wastewater Systems ticket he hits the ground running as a needed certified operator for the Kelvin Grove plant, and is waiting to write exams for Water Distribution Systems 1 and Wastewater Collections 1, having the experience hours required already. He has jumped in the deep end in his first week, with a difficult water service line repair, cleanup from the windstorm of the year, and accompanying the national technician on two pressure reducing valve services.

The week of Monday, November 27th, Public Works will be conducting mandatory watermain flushing to comply with our Vancouver Coastal Health drinking water permits. Flushing entails opening fire hydrants in a systematic order to scour the watermain and remove mineral deposits, biofilm and sediment. To prepare, place filters, softeners and other water treatment equipment in bypass mode. Please try to avoid using water when flushing is taking place (during the daytime only) to avoid drawing sediment and discolouration in from the watermain. Water remains safe and potable, but after flushing is completed in the zone, run the outside tap closest to where the service line enters the building (usually where the pressure reducing valve is) for a few minutes to clear it. Public Works thanks residents in advance for their understanding and patience during this important program. For information, questions or concerns, please contact Public Works at works@lionsbay.ca.

The Lions Bay Community Scholarship Foundation

Some quotes from previous recipients:

"The Lions Bay Community Scholarship was such an honour to receive. It made me feel like my community was supporting me during my next step of life. It was hard to leave Lions Bay to go to College but this bit of financial support made it easier. Thank you for helping us pursue education at a higher level without as much financial burden. "

"It has only been through recent years that I have realized just how lucky I am to have grown up in such an amazing and supporting community. Receiving the LBC Scholarship in my grade 12 year, represented the continuation of Lions Bay's support, a village that I will forever remember and always call home."

As we approach the end of our 2023 tax year, please consider donating to the Lions Bay community scholarship foundation and support our graduating youth.

A tax receipt will be issued.
