### SPOOKY UPDATES FROM THE MUNICIPALITY

# HAPPY HALLOWEEN LIONS BAY!

YOUR LIONS BAY EVENTS  
COMMITTEE  
IS PLEASED TO PRESENT THE  
HALLOWEEN NIGHT FIREWORKS  
**8pm at Lions Bay Beach Park**

Thank you to the Lions Bay Volunteer Firefighters for  
putting on the show, they always do a great job.

The show is free but donations are appreciated. All funds  
raised will be in support of our local Lions Bay Firefighters.  
Look for the firefighter boots at the beach park in the  
middle of the viewing area and next to the bottom of steps  
to drop your donations.

### **Our Environment:**

Our Halloween Fireworks show produces approximately 3.8kg of CO<sub>2</sub>.

We have purchased offsets equal to a reduction of almost 1 metric ton of CO<sub>2</sub>!  
By purchasing carbon offsets to make each show not only carbon neutral but carbon  
NEGATIVE. Actually, our carbon offsets are over 250X greater than our carbon release!

We purchase carbon offsets through Planetair, a Canadian non-profit leader in the fight  
against climate change founded in 2005, recommended by Équiterre and the David Suzuki  
Foundation. We have chosen to support the Canada Reforestation project that finances  
both Gold Standard-certified GHG reductions, and reforestation projects in Canada that  
offer various benefits such as land rehabilitation, forest ecosystems upgrading and the  
creation of green spaces. The new plantations also reduce water runoff, improve air quality  
and encourage the creation of green corridors for the benefit of biodiversity.
