UPDATE FROM THE MUNICIPALITY

The Municipal office is currently closed due to the activation of the Emergency Operating Centre (EOC), which is in full operation to support ongoing emergency efforts. The EOC has been established to oversee and manage critical response activities, ensuring that resources, personnel, and essential services are deployed effectively to address the situation at hand. As part of our commitment to supporting the community and ensuring public safety, all non-essential office operations have been temporarily suspended to allow our team to focus entirely on coordinating and providing the necessary support to the EOC. We understand the inconvenience this may cause and appreciate your cooperation and patience during this time. We will continue to monitor and provide updates as soon as possible.

Until further notice utility payments can be made via your bank or cheques can be placed through the letterbox. If you have any issues please email reception@lionsbay.ca or for more specific accounting questions email accounting@lionsbay.ca. Phone calls and emails will be monitored sporadically where possible throughout the day.

We apologize for any inconvenience caused and we appreciate your understanding.
