

FOR IMMEDIATE RELEASE FROM LIONS BAY EMERGENCY OPERATIONS CENTRE
Tuesday, January 7, 2025, Time: 16:00hrs

Battani Creek Slide Update:

The Village of Lions Bay is pleased to announce that the evacuation order for properties at #1 and #2 Goldenrod has been rescinded as of today. Residents of these properties are now free to return to their homes.

However, an Evacuation Alert will remain in effect for these properties at this time. This precautionary measure is in place to ensure resident safety as recovery works continue in the area to further reduce risks. An Evacuation Alert remains in place for two residences on Crystal Falls Road and 3 residences on Brunswick Beach Road.

The Village is committed to completing the necessary recovery efforts in the coming days to address remaining hazards. Once these works are finalized, the Evacuation Alerts will be lifted, and residents will be informed promptly.

We thank the affected residents for their patience and cooperation during this challenging time. The safety of our community remains our top priority, and we are grateful for the ongoing efforts of all those involved in the response and recovery operations.

For additional information or updates, please visit our website or contact the Village Office.
