COMMUNITY NOTICE BOARD & UPCOMING EVENTS

Join us at Lions Bay Beach for Bird Friendly Beach Bingo—a community event for all ages!

We'll start things off at 12:30 with a beach bingo adventure where kids (and curious adults!) can explore the shoreline and search for natural treasures to check off their bingo cards. There will be different bingo sheets for younger and older participants.

At 1.15, after bingo, stick around for crafts, learning about local shorebirds, and a family-friendly barbecue. Whether you come for the bingo, the beach, or the hot dogs, everyone is welcome.

Come discover with us and celebrate the beauty of our shoreline together!

As usual, we will not be going into the water. We'll spend time on the shore just north of the swimming beach and on the grassed area near the park entrance.

We'll also have information about **reducing plastic pollution**, which severely impacts shorebirds and marine life, and also human health. Climate Action Committee member Andrew Wray has provided information about the new Community Recycling Depot, where plastics and foam can now be dropped off... no more driving 35km to the North Van transfer station to recycle these items! Come and learn which other recyclables are also accepted there.
