

Village Update

January 9, 2026

UPDATES FROM THE MUNICIPALITY

We're Excited to Welcome Eric Villeneuve as Our Director of Operations!

Staff welcomed Eric to the team this week as the new Director of Operations based out of the Public Works Yard. Eric spent the last six years working in West Vancouver and four years before that in North Vancouver District. He is a professional civil engineer who has focused on municipal infrastructure throughout his career and is excited to bring his knowledge and expertise to the Village. When you see him around the Village please stop and say hello!

The Great Lions Bay Water Giveaway & Emergency Preparedness Awareness

Be Ready, Lions Bay for another Great Water Giveaway ! Join Us on January 17, 2026

We're focused on strengthening our emergency readiness — together. On **Saturday, January 17, 2026**, join us at the **Lions Bay Cafe** for the second annual **Great Lions Bay Water**

Giveaway, a community event where you can **pick up a free 4L bottle of water for each member of your household**, meet your neighbours, and learn how to help Lions Bay stay resilient in times of need.

This event is about more than water — it's about **community connection and preparedness**.

You'll have the chance to meet members of our **Emergency Support Services (ESS)** team, who provide vital aid during local emergencies.

ESS volunteers have been on the frontlines supporting those displaced by the 2024 slide and recent fire — now, we're looking for more residents to join the effort.

Event Highlights

Date: Saturday, January 17, 2026

Time: 10:00 AM – 4:00 PM

Location: Lions Bay Cafe

What's Happening:

- **Free Water Giveaway** (while supplies last)
- **ESS Q&A** — learn how you can get involved
- **Meet Our Volunteers** — hear from volunteers who have responded to location emergencies
- **Volunteer Sign-Up & Info Booths** — discover roles with ESS

Whether you can lend a hand during an emergency or just want to learn more, this is a great opportunity to **connect, prepare, and support your neighbours**.

 Interested in volunteering? Email ESS@lionsbay.ca

In accordance with the [Village of Lions Bay Trees, Views, and Landscapes Bylaw No. 393](#),

2007, the cutting of trees on Municipal Property during active bird nesting season, which is

between **March 26th and August 16th** each year, is prohibited.

If you want to do some tree work and those trees are on Municipal property, you'll need to

apply for a tree cutting permit to obtain Council approval.

The **March 3rd Council meeting** is the last meeting you can get your application approved

so that your work can happen before the March 26th deadline - after that, you're going to

have to wait until mid-August unless you get Council dispensation to undertake a nesting

survey with a registered biologist at your cost to establish there are no bird nests in the

vicinity of the trees you wish to cut.

Skip the rush and submit your application As Soon As Possible! Here's what needs to happen:

1. Your application needs to be completed and turned in no later than **January 30th at 4:00 PM**.
2. Public Works will need to assess the trees so the trees being cut must be marked so that staff know exactly which tree(s) are being worked on.
3. For the Tree Committee to meet, notice must be made in the Village Update 8 days prior to their site meeting. Once the tree committee have made their recommendations, Office staff will prepare the application for submission to the Council agenda package.
4. If approved by Council, a permit will be provided to you once a \$500 damage deposit has been received by the Village Office, a copy of the tree cutting company's Certificate of Insurance naming the Village of Lions Bay as an additional insured for \$5 million, as well as their WorkSafe BC Certification.

There is a lot to prepare and organize and schedule - so please take note of the timeline!
