GENERAL VOTING DAY • SATURDAY, OCTOBER 17, 2026

Back to School Safety Reminder

With school back in session, our roads and intersections are busier in the mornings and afternoons as students travel to and from school. We ask all residents to slow down, stay alert, and watch for young pedestrians throughout the Village.

Please remember to:

- Watch your speed in the school zone and throughout the Village.
- Keep crosswalks clear when stopped at intersections.
- Always yield and stop for pedestrians, especially children.
- Stay focused and keep your cell phone out of your hands while driving.

Parents, please take a moment to reinforce pedestrian and traffic safety with your children, including how to safely walk to school, cross intersections, and use crosswalks.

While these are good habits to practice year-round, Back-to-School season is a great time for all of us to take an extra moment to think about pedestrian safety and share the road with our youngest community members.
