

Chris Stevens

A new resident of Lions Bay who wants to contribute to the future of the community by serving as your village councillor.

Fresh Face Fresh Path

Education & Experience

- 30 + years as senior sales leader in the sustainable & alternative energy, fuels and lubricant sector
 - The environment was my market priority
- Experienced in executive sales, sales development, marketing, brand development, budgeting, financial discipline.
- BA Political Science Economics; MBA
 - Programming; Technical Industrial Training
 - Learning used to overcome challenges

Why I am running:

- Community perception
 - I am a New face, with New relationships, and a New take on collaboration
- Bring business experience to the table
 - Community priorities, Goal setting, Project evaluation, Fiscal responsibility,

I stand for:

- A completed Official Community Plan (OCP) this year
 - The OCP must be a reflection of the community vision not that of individuals
- Strengthened communications
 - emergency communications emerging issue
 - reducing perceived dysfunction within our governing bodies
 - delivering improved transparency and accountability
- Improved budgeting, fiscal responsibility. We can do better.
- Infrastructure Committee has done significant work in the last 4 years
 - My past experience pushes me to like reporting that includes project priorities, project time frames with timelines and individual project budgets.
- Good governance comes from community involvement. Reach out; ask questions; offer respectful comments and advice.

When you picture Lions Bay four years from now, what's one word you hope describes our village?
